CHARLES ATLAS, World's No. 1 Body Builder, says:

Don't Be Half A Man!

Let ME SHOW How I Can Make You a Real HE-MAN From Head to Toe — in Just 15 Minutes a Day!

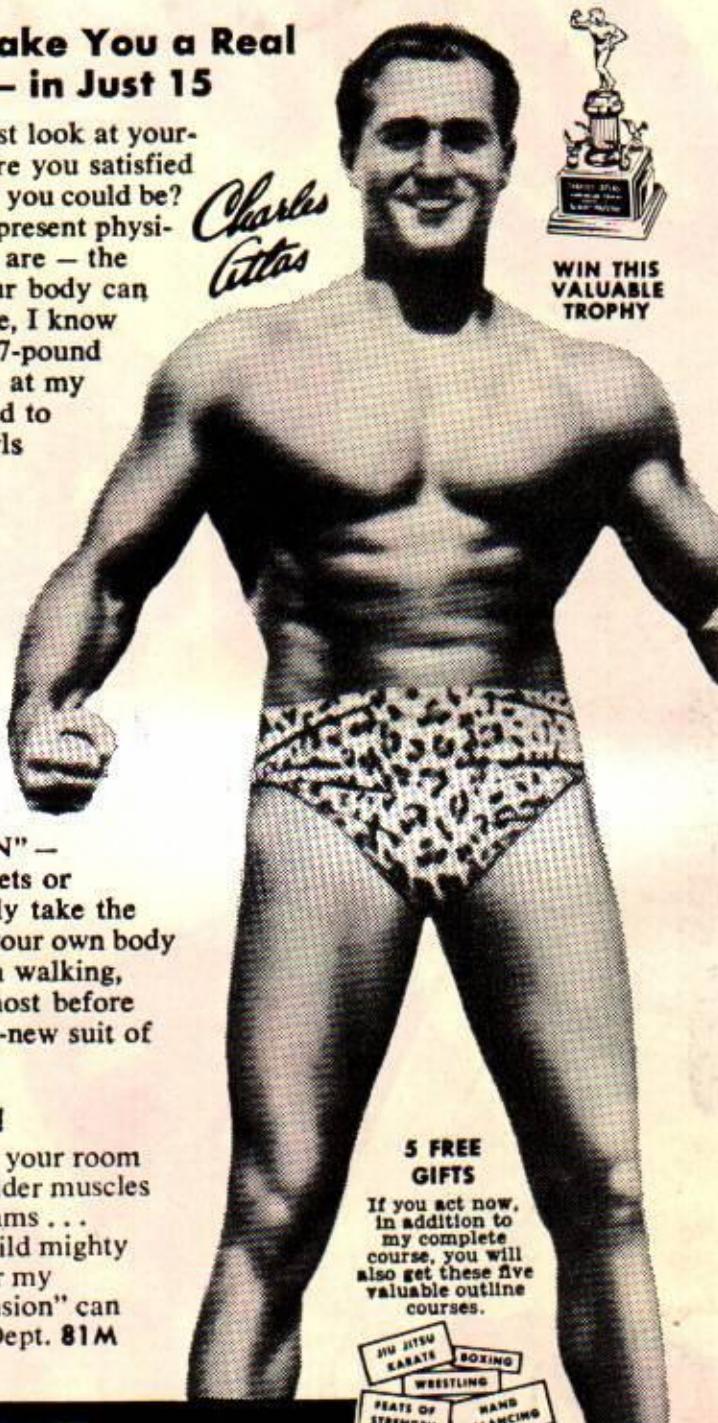

Take a good honest look at yourself! Are you proud of your body — or are you satisfied to go through life being just "half the man" you could be? No matter how ashamed you are of your present physical condition — or how old or young you are — the "sleeping" muscles already present in your body can turn you into a real HE-MAN! Believe me, I know — because I was once a skinny, scrawny 97-pound half-alive weakling! People used to laugh at my build and make fun of me. I was ashamed to strip for sports or the beach . . . shy of girls . . . afraid of healthy competition.

HOW I CHANGED FROM A "MOUSE" TO A MAN!

One day, I discovered a secret that changed me from a timid, frightened scarecrow into "The World's Most Perfectly Developed Man" — a "magic formula" that can help turn *you*, too, into a marvellous physical specimen . . . a real HE-MAN from head to toe . . . a man who STANDS OUT in any crowd! What's my secret? "DYNAMIC-TENSION" — the natural method! No theory. No gadgets or contraptions. You just do as I did. Simply take the "sleeping" muscles already present inside your own body — build them up — use them every day in walking, bending over, reaching, even sitting! Almost before you know it, you're covered with a brand-new suit of beautiful, rock-hard SOLID MUSCLE!

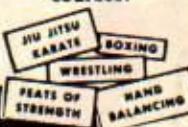

MY SECRET BUILDS MUSCLES FAST!

Just 15 minutes each day in the privacy of your room is all it takes to make your chest and shoulder muscles swell so big they almost split your coat seams . . . turn your fists into sledge-hammers . . . build mighty legs that never tire! Mail coupon today for my famous book showing how "Dynamic-Tension" can give you a Body by Atlas. Charles Atlas, Dept. 81M 115 E. 23 St., New York, N.Y. 10010.

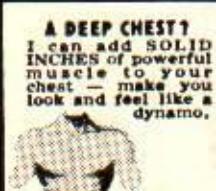

5 FREE GIFTS

If you act now, in addition to my complete course, you will also get these five valuable outline courses.

DO YOU WANT . . .

A DEEP CHEST?
I can add SOLID INCHES of powerful muscle to your chest — make you look and feel like a dynamo.

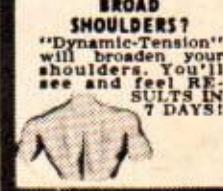

BIG ARM MUSCLES?
You'll see and feel your arm muscles BULGE out with super power and energy.

TIRELESS LEGS?
I make your legs strong and powerful with the tireless drive of a long distance runner.

MAGNETIC PERSONALITY?
"Dynamic-Tension" makes you alive with vitality — the husky that men respect and women admire.

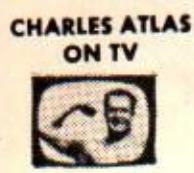

BROAD SHOULDERS?
"Dynamic-Tension" will broaden your shoulders. You'll see and feel RESULTS IN 7 DAYS!

MORE WEIGHT?
You'll put on pounds in the right places. "Dynamic-Tension" rebuilds you inside and out.

My 32-page illustrated book, Charles Atlas, 115 East 23 St., N.Y. 10010.

ANY GIRL CAN BE A WONDER WOMAN--IF SHE REALIZES THE TRUE POWER OF WOMEN!

Dear Editor:

I sadly mourn the passing of WONDER WOMAN; she had such potential. Sure the book isn't dead, but it might as well be. There are so many things wrong with the book that I shall have to take them one at a time.

First off is Diana Prince's liberated personality. This can't be the same WONDER WOMAN who was heard saying: (CENSORED) No one, be they Amazon or human, can (CENSORED) Furthermore, anyone who looks as good as Diana does wouldn't go around making herself up to be homely.

Even her views are (CENSORED) She sits there and puts down Morgan Tracy because he won't notice her because she's homely . . . But what about HER? She doesn't give a (CENSORED) . . . about the janitor in the U.N. with the skinny nose, bald head and false teeth, who might be falling-over-his-bucket-and-mop in love with Diana the person! No, she can't be bothered with all the homely men at the U.N.; she has to spend her time cringing over some handsome, sophisticated, man-about-town. (CENSORED) Talk about chauvinistic attitudes! Prince is more (CENSORED) than Tracy. At least HE isn't a hypocrite!

Second, Mr. Kanigher, are your views. You're (CENSORED) Where do you pick out people such as Keech? Surely he's not patterned after any real person. I know no one THAT rude or THAT narrow-minded. If you think this (CENSORED) . . . is what people want to read, you have got to be kidding (either that or you need to have your head examined). You try to do a women's lib book, and then make the chick look like (CENSORED) Then, to top it all off, you write into the story a scene where lots of (CENSORED) (also the last page).

Thirdly, I would like to mention the great art . . . There wasn't any. You are some editor, Mr. Kanigher; you not only mess up the story, but you also take out the best art WONDER WOMAN has ever had, and put in the most mediocre you can find.

Fourthly, dialogue. "Shades of Neptune," "Thunderbolts of Jove," "Hola," "Great Hera," "Suffering Sappho," and "Merciful Minerva" have got to go!!! This (CENSORED) is so bad, it makes Radio Comics look good!!

Fifth, that title. "Target WONDER WOMAN!" SHE wasn't the target, dummy, TRACY was (don't you ever read your own stories)?!

Sixth, and last, (CENSORED) Mr. Kanigher, you have added a new level of quality to W.W. It's about five rings below the past all-time low. Congratulations!!

—Barry Keller, San Bernardino, Calif.

Dear Barry:

(CENSORED)

—P.K.

Dear Editor:

Hey There! After a spell of total shock, totally unable to comprehend (how could you do this?), I have come to my senses. Thumbs UP . . . If you handle it right! Of course, this is concerning the new-old WONDER WOMAN, and her remarkable revival in issue #204. Last issue, we witnessed the Lois Lane-izing of Diana Prince, the final holdout of the relevant phase of comics. Now we witness the result of that phase. The killing of Ching, Dynamic. The return to the Amazons. Beautiful! The updating of the origin. Necessary. And the teaming-up of the "Plain Jane" with two other U.N. employees. Well

You see, at this stage of the game, the new-old WONDER WOMAN can become another Super-girl-type. Steer clear of the relevance, from which spawned this new phase, and steer clear from Camp, etc., and you will have all that W.W. was ever meant to be. Thumbs up, 'cause there's nowhere for WONDER WOMAN now, but up!

—Banderson, Tujunga, Ca.

Dear N.F.N. (No First Name) Banderson:

Are you a Miss, Mrs. or Ms.? Or . . . a Mr.? And where is Tujunga? Are you for real? Actually, your enthusiasm is most welcome whether you're from Mars or Manhattan. Of course, you realize your superior judgment about WONDER WOMAN places you behind the hate curtain of a noisy majority of fans who want to dictate THEIR ways of publishing the Amazon. Thumbs UP, to you!

—R.K.

Dear Editor:

One small objection to your recap of the abilities and disabilities of the Golden Age WONDER WOMAN, to which you more or less are returning. You wrote that if WONDER WOMAN's bracelets are chained or otherwise joined together, she becomes helpless. Not so! That effect only happens if a MAN does it.

—Michael Tierstein, Brooklyn, N.Y.

Dear Michael:

You're absolutely right on!

—R.K.

Dear Mr. O'Neill:

Bravo, Bravo! I must congratulate you on WONDER WOMAN #204. It was superb, magnificent, why it was even good! I mean, couldn't you have let him go back to Lu Shan, his daughter?

Now what's this bit about Nubia, and the secret of Channel Six? What's the big secret? Whatever it is, it's aroused my curiosity so much that I have ordered a subscription to WONDER WOMAN. Another thing that has aroused my curiosity is the readers' page. It said you were going to start reprinting old W.W. stories. What do you mean? I'm curious!

—Neil Rhodes, No Address

Dear Neil:

I'm curious where you got the idea that "O'N" stands for "R.K."?
