A ROUTINE DAY AT KENNEDY AIRPORT IN NEW YORK,
AS A 747 DEPARTS ON AN EQUALLY ROUTINE FLIGHT...

FOR NOW, THE AMAZING AMAZON'S HEAD-ON
COLLISION WITH THE MOST DESPERATE STRUGGLE
IN THE HISTORY OF DEMOCRACY IS STILL A WORLD
AWAY!

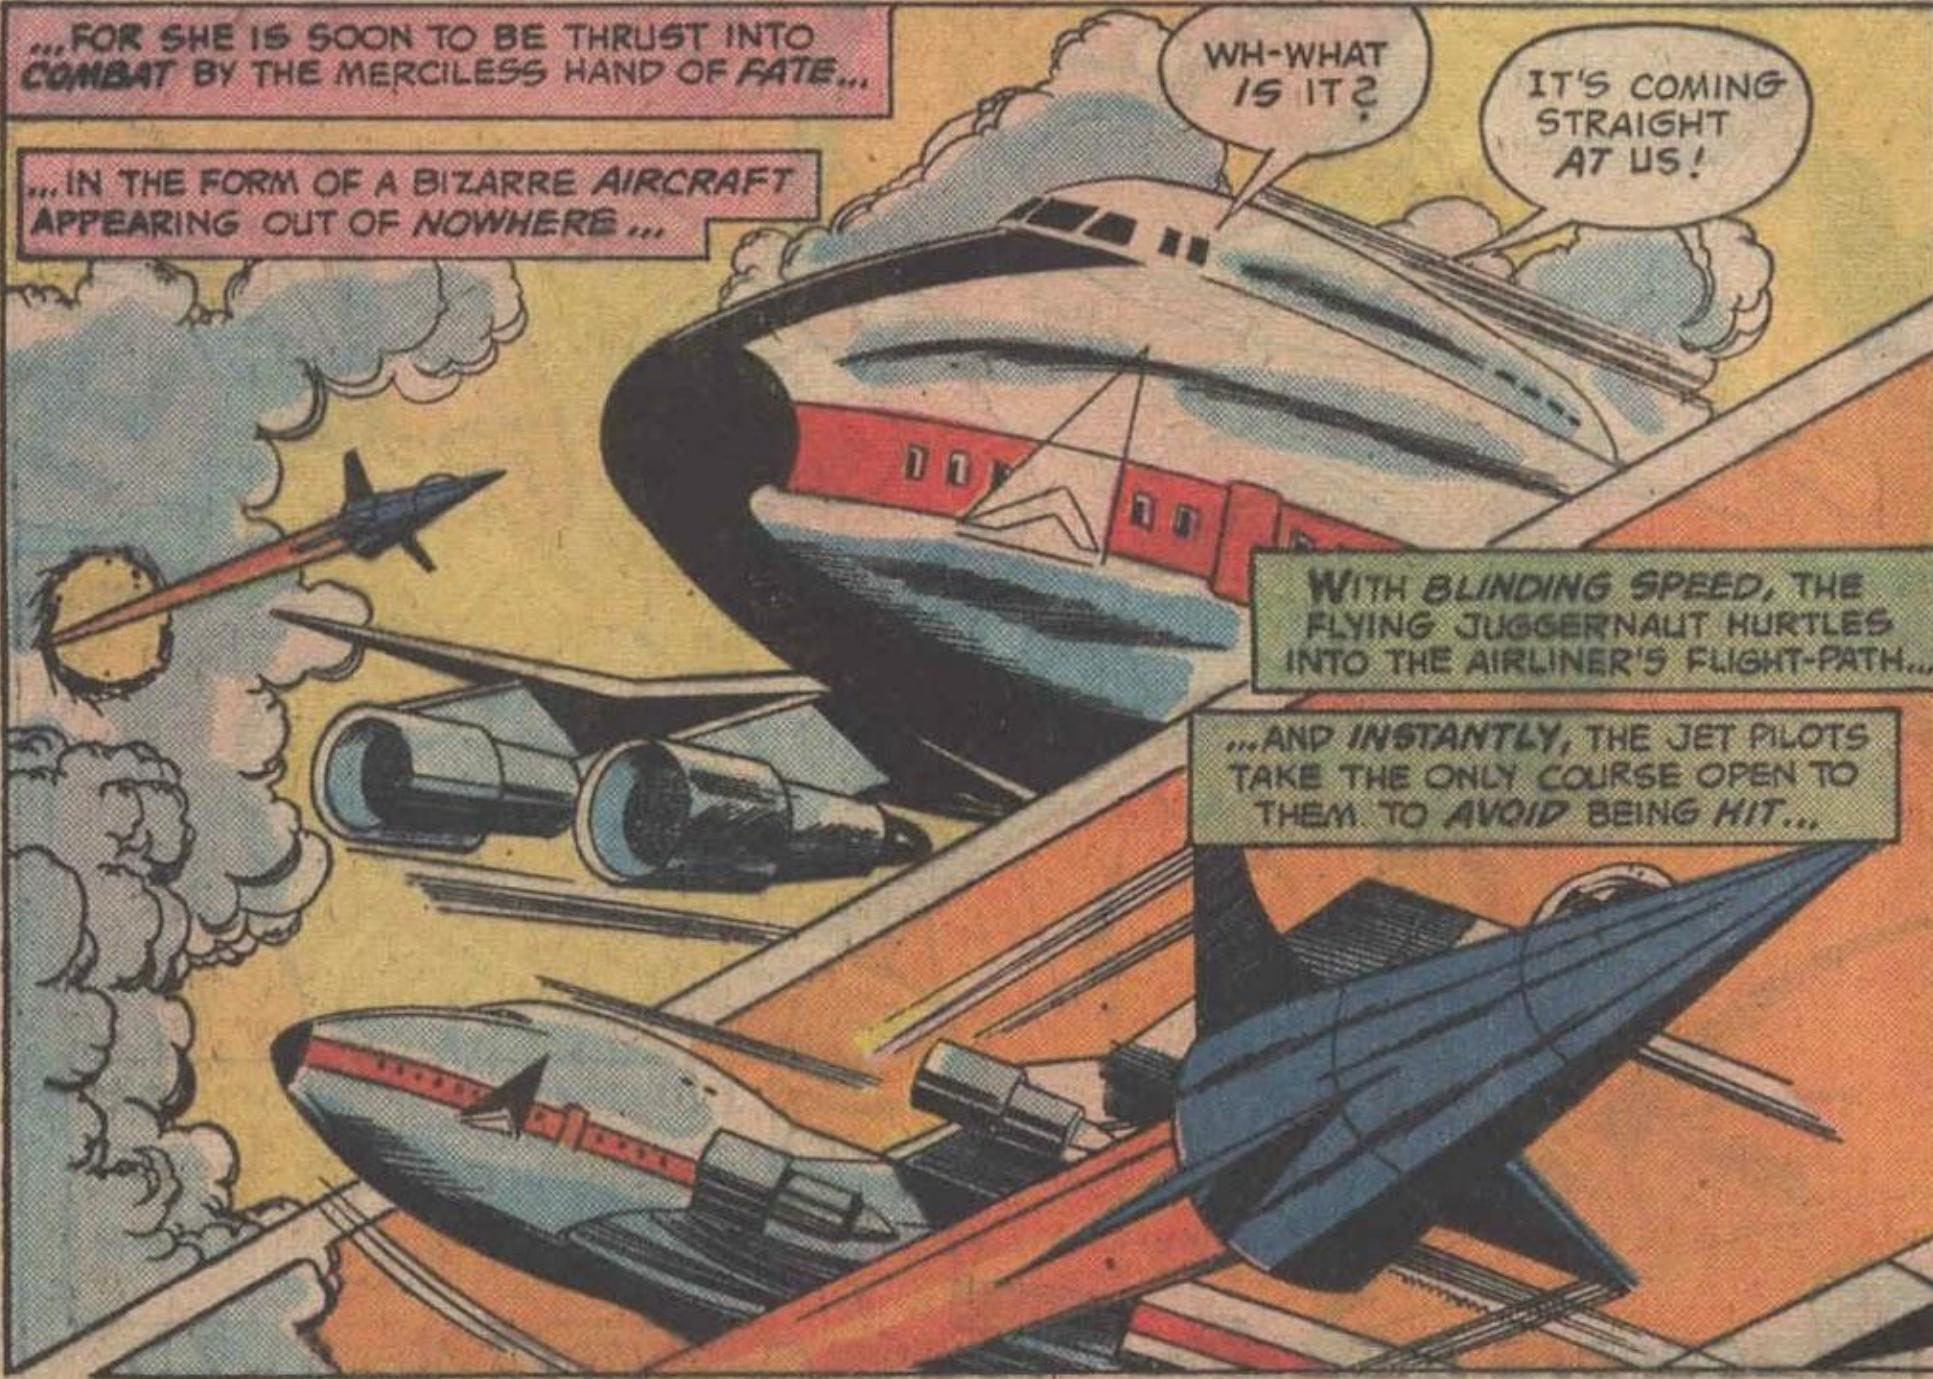

THE FLIGHT OF HER INVISIBLE PLANE IS
ALSO ROUTINE, AS SHE CRUISES IN THE
HOLDING PATTERN, AWAITING CLEARANCE
TO LAND...

...FOR SHE IS SOON TO BE THRUST INTO
COMBAT BY THE MERCILESS HAND OF FATE...

...IN THE FORM OF A BIZARRE AIRCRAFT
APPEARING OUT OF NOWHERE...

WH-WHAT
IS IT?

IT'S COMING
STRAIGHT
AT US!

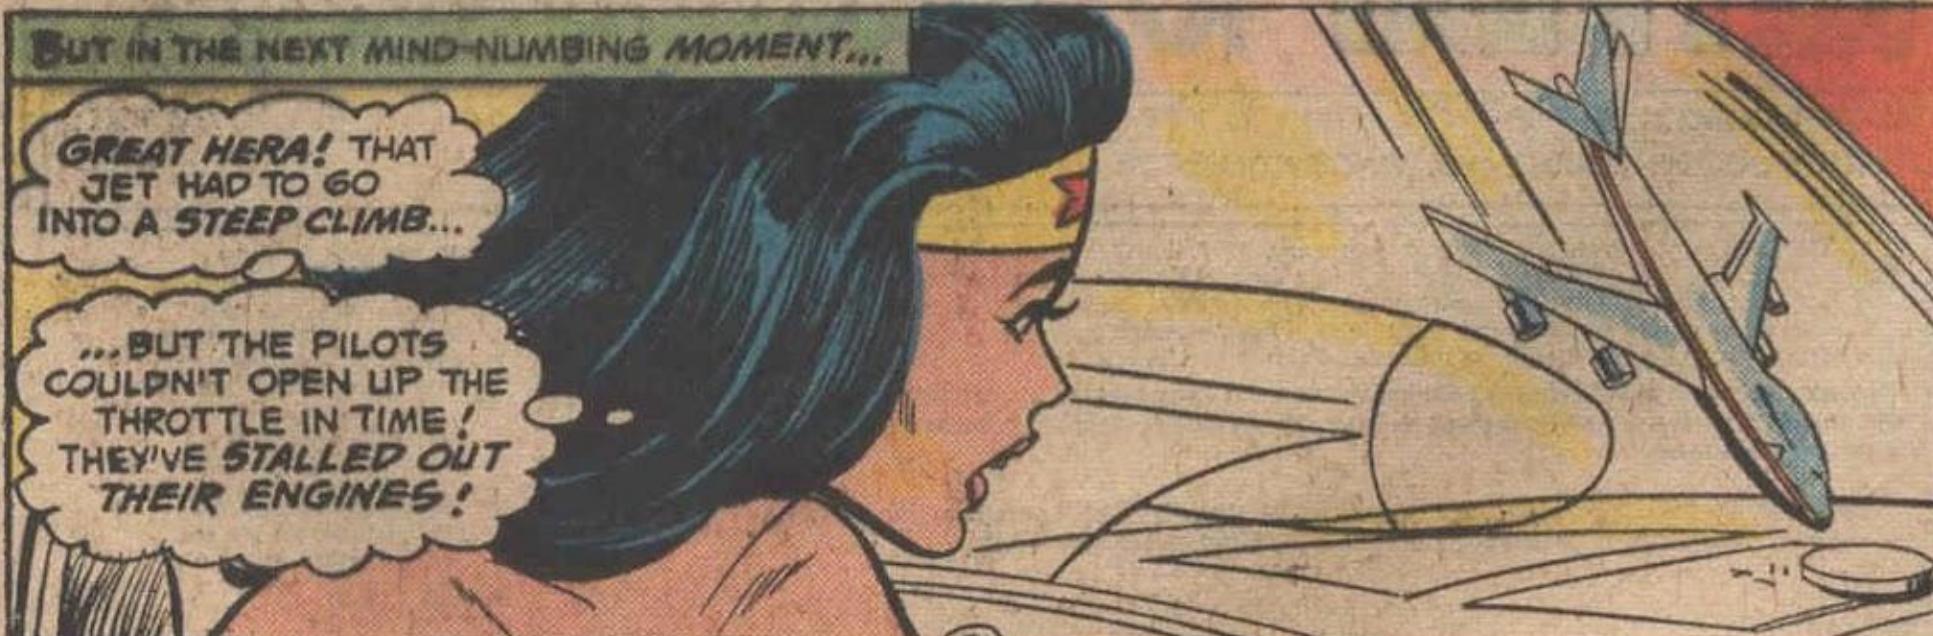

WITH BLINDING SPEED, THE
FLYING JUGGERNAUT HURLES
INTO THE AIRLINER'S FLIGHT-PATH...

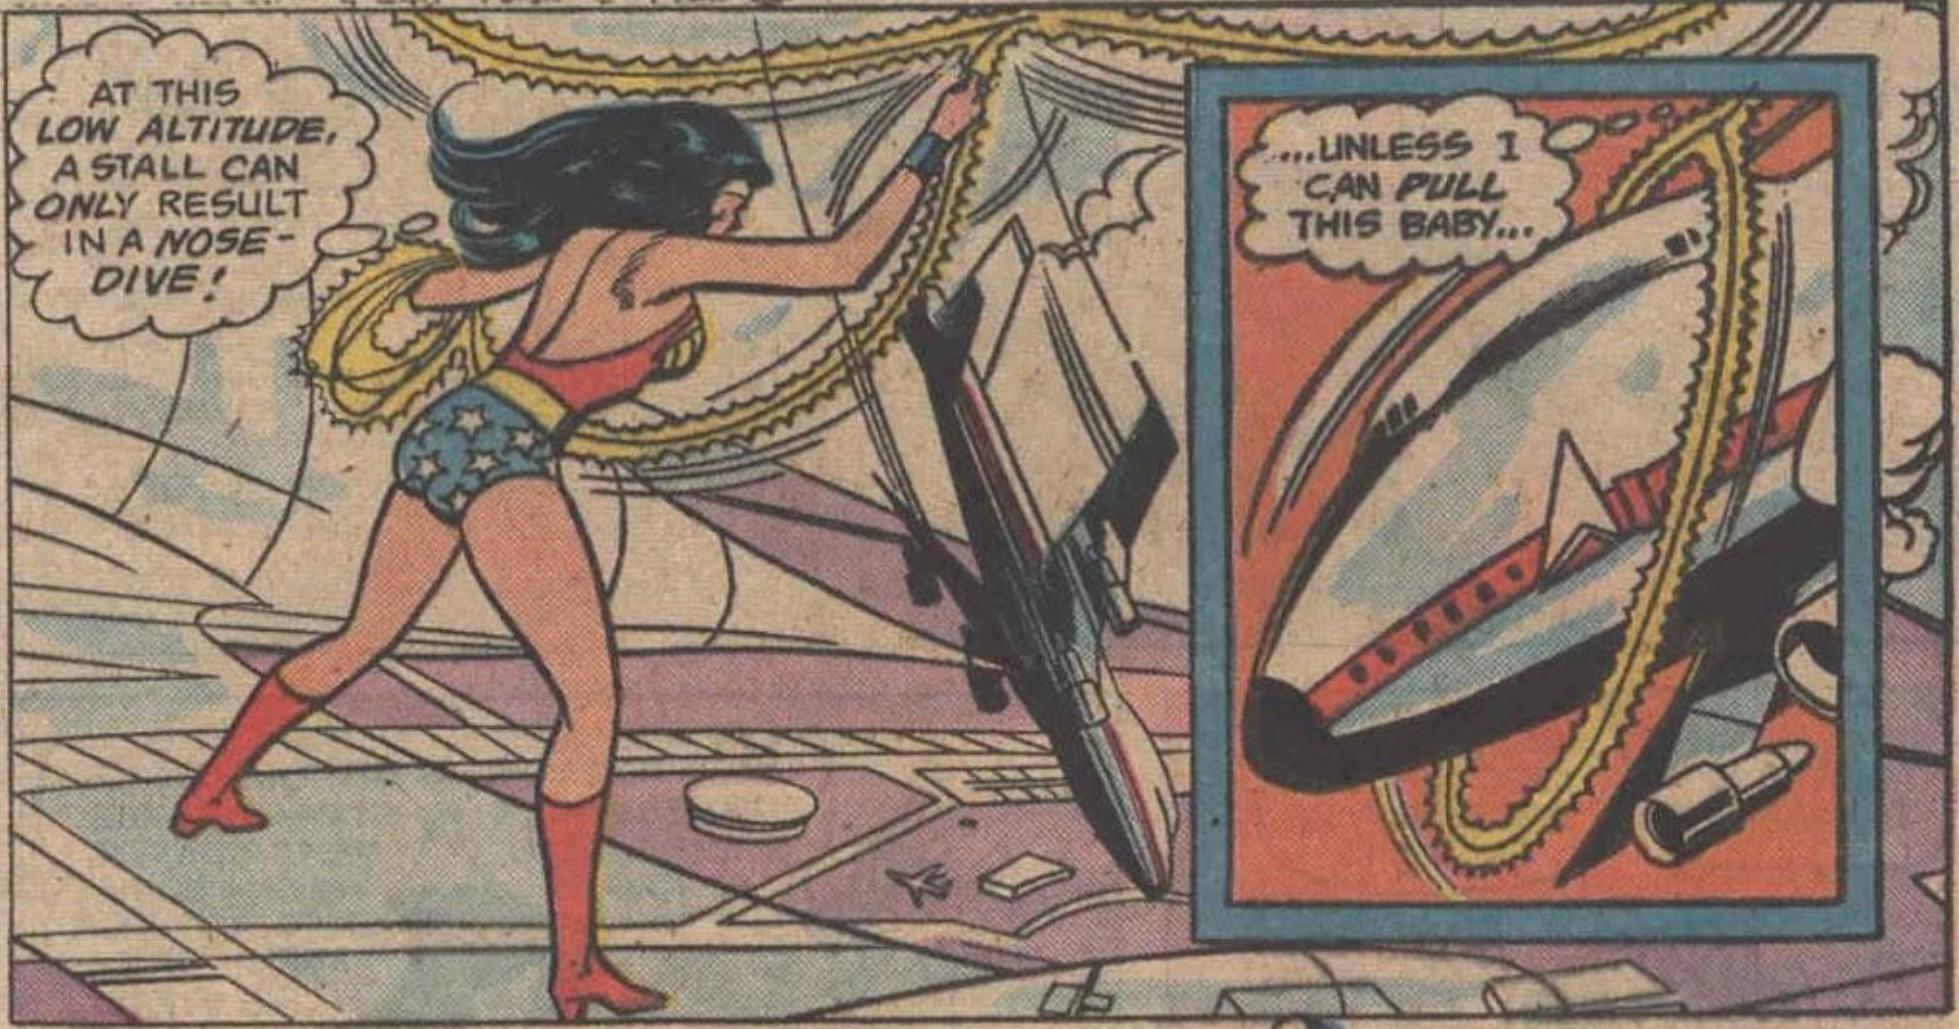

...AND INSTANTLY, THE JET PILOTS
TAKE THE ONLY COURSE OPEN TO
THEM TO AVOID BEING HIT...

BUT IN THE NEXT MIND-NUMBING MOMENT...

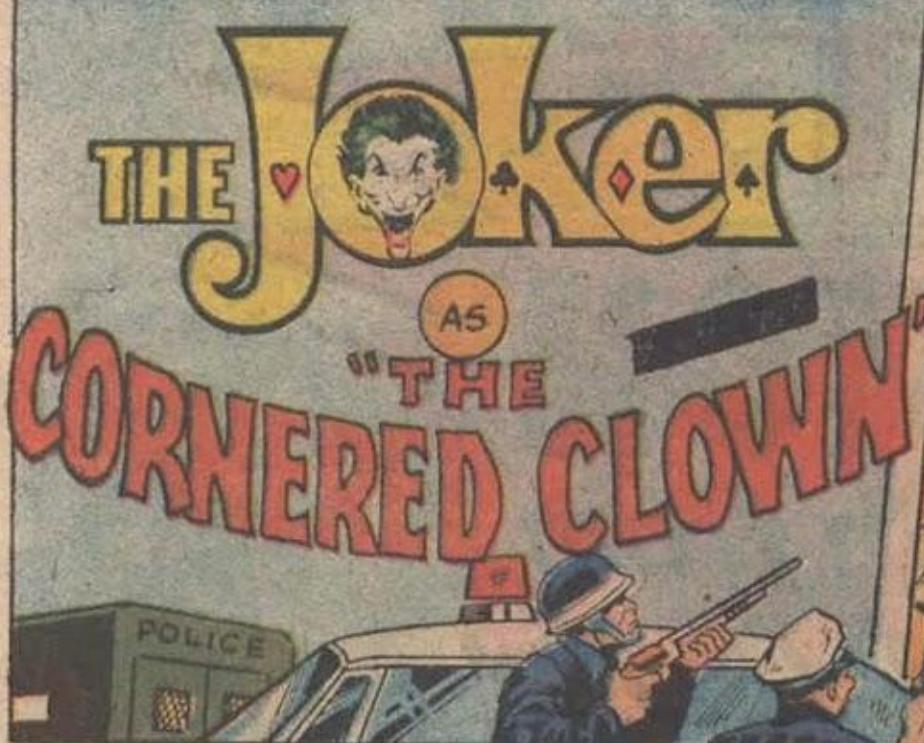

GREAT HERA! THAT
JET HAD TO GO
INTO A STEEP CLIMB...

...BUT THE PILOTS
COULDN'T OPEN UP THE
THROTTLE IN TIME!
THEY'VE STALLED OUT
THEIR ENGINES!

WHAT TO SINK YOUR TEETH INTO WHEN YOU'RE HUNGRY AND YOU'RE NOT A WEREWOLF.

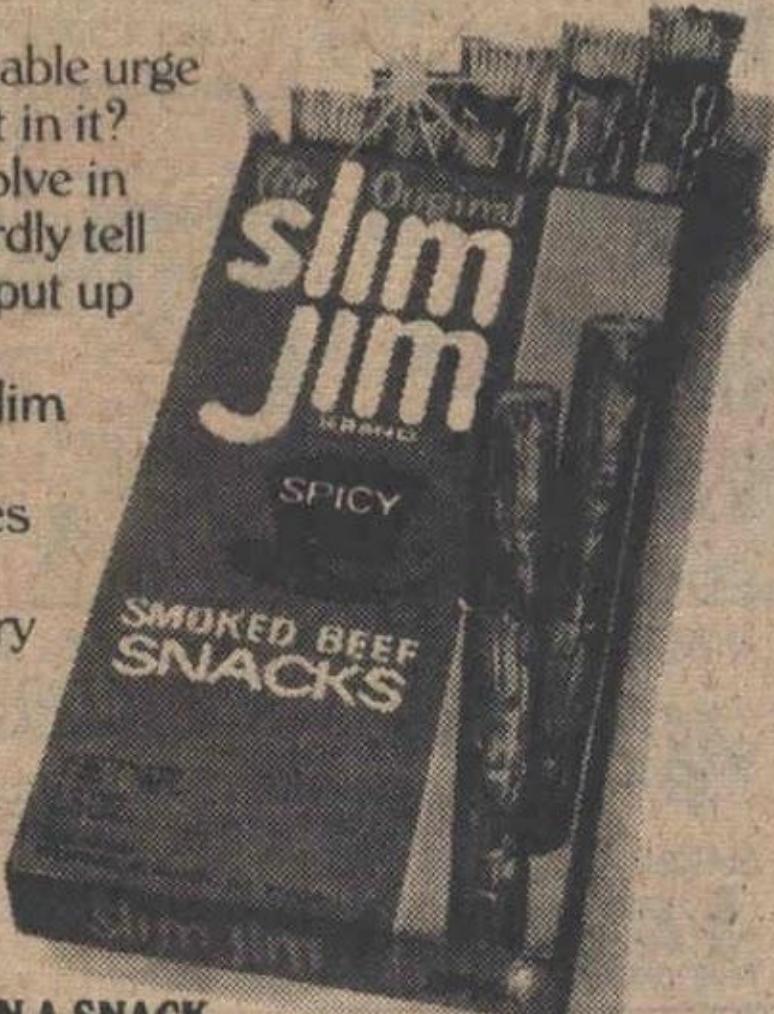

Every now and then, do you get this uncontrollable urge to bite into something that's really got some meat in it?

Are you tired of sugar-sweet snacks that dissolve in your mouth, and crunchy snacks that you can hardly tell you ate, and all the other boring stuff you have to put up with, every day?

Well, take heart. And, while you're at it, take Slim Jim along in your pocket.

Slim Jim is a chewy, all-meat snack that comes in five very un-boring flavors. Mild, spicy, salami, bacon, and pizza. And you can find it at the grocery store. Or at a lot of the places where you've been getting those sissy snacks.

You might want to carry a few extra ones, too. Then, if you meet a werewolf, you can give him something to sink his teeth into instead of you.

A LITTLE LESS THAN A MEAL. A LITTLE MORE THAN A SNACK.

When does a comic book take on a "new look" WITHOUT taking on a new look? When it changes direction without changing its creative team. Beginning with the issue you now hold in your hands, **WONDER WOMAN** magazine will feature the adventures of the Amazing Amazon of Earth-II, set against the background of an America at war. The time is 1943... the place is anywhere in the world WW's wartime adventures take her... and the byword is excitement—all lovingly brought to you by Marty Pasko, Jose Delbo and Vince Colletta, who've been chronicling WW's adventures for several issues now. But extend a hearty welcome to DENNY O'NEIL, who assumes the editorial helm this issue—as Story Editor under the aegis of Managing Editor JOE ORLANDO. But more on this momentarily; first, we have miles to go and promises to keep...

One of those promises was made by the erstwhile Story Editor of **THE FREEDOM FIGHTERS**, Tony Isabella—who, in FF #5, promises that an explanation of how WW's lasso snapped in FF #4 would appear in issue #228 of **WONDER WOMAN** (got that?). Well, the explanation was part of the plot Marty originally prepared for this issue—but that script was hastily shelved to accommodate the "transitional" story herein. Which relegates the explanation to this lettercol. To wit: WW's lasso snapped because it possesses its infinitely-elastic and unbreakable properties as long as it is woven from the gold of Hippolyta's magic girdle. But, since King Samson had turned it to SILVER, those magical properties were drained from it. When the lasso was returned to its original golden state (in FF #5), it magically rejoined itself. End of explanation (and the making good on a promise!).

Things are jumping at the offices of DC Comics—for, in addition to the frantic activity of preparing many new surprises (such as the new 50-cent packages of all new material in **JUSTICE LEAGUE** and **WORLD'S FINEST**, coming your way soon), the office is buzzing with an excitement of a different kind. It's an enthusiasm not felt in these parts since 1966, to be exact—when **BATMAN** first winged his way onto national television. As of this writing, the television network is preparing 11 hours' worth of TV adventures featuring **THE NEW, ORIGINAL WONDER WOMAN**—based on the highly successful made-for-TV movies of the same title. The new episodes will be of varying lengths; will air as "specials"—a daring new TV programming concept—and they will feature the same cast (More on THAT later, too) as appeared in the first three films.

So, with our favorite Amazon Princess destined to be a television star, it was decided that her comic book adventures should compliment those of her TV counterpart. Thus, beginning with this issue, you will be thrilling to the adventures of The New, Original Wonder Woman—and not just every other month, but 18 times a year! For, in addition to her monthly exploits in this magazine, WW will star in every issue of the new, bi-monthly

WORLD'S FINEST—which will really live up to its name now! Diana's WF stories will be brought to you by the same folks who bring you this magazine (though the demand for more of our Amazon caught Marty Pasko with an overcrowded schedule; so Denny O'Neil stepped in to pen the first WW tale for WF).

If you STILL can't get enough of the Amazon Wonder her Earth I incarnation will continue to appear in every issue of **JUSTICE LEAGUE** and **SUPER FRIENDS**. Incidentally, if you're wondering what happened to WW's former editor, Julius Schwartz, he surrendered the helm of WW to Denny in order to make room for the latest masterpiece on his schedule: **TEEN TITANS**, which features Diana Prince's dynamic young protegee, Donna Troy—better known as **WONDER GIRL**.

As of this writing, the new WW TV episodes are yet to be scheduled, so we can't answer your questions about them. You'll have to check your local TV listings for the date and time of **THE NEW ORIGINAL WONDER WOMAN**, starring Lynda Carter as WW, Lyle Waggoner as Steve Trevor, Richard Eastham as General Blankenship, and Beatrice Colen as Etta.

We CAN, however, answer some of your questions about the stunning young woman who brings our Amazon to life. Now, then, let's...

MEET LYNDA CARTER

It's only fitting that Super Heroine Number One is portrayed by one of the most beautiful women in the world—which certainly describes Lynda Carter. This willowy, dark-haired beauty from Phoenix, Arizona, was crowned Miss World U.S.A. in 1973. Physically, Lynda really is a "wonder woman", standing 5'8 1/4" in her stocking feet and weighing a slender 126 pounds. She has all the instincts of a natural athlete and is superbly coordinated, having studied at the London School of Ballet off and on for 10 years.

Born and raised in Phoenix, Lynda attended Arizona State University after high school, but left to pursue a singing career—with her debut forthcoming at the Sahara Hotel in Las Vegas. Before landing her Wonder Woman role, Lynda had appeared in an episode of "Nakia" on ABC, and in a TV pilot film entitled "Shamus". She has since completed her first motion picture starring role. She and Marjoe Gortner portray the title roles in American-International's "**Bobby Joe and The Outlaw**", released this year. In it, you can hear Lynda's lovely singing voice. Before resuming her WW activities this fall, Lynda completed another role in an as-yet-unreleased film.

Lynda is a Leo and a vegetarian (though she admits to a passion for Mexican food). You can write to her c/o **WONDER WOMAN**, 622½ Westbourne Drive, Los Angeles, Ca. 90069.

And you can write to US—with brickbats or bouquets concerning this landmark issue—at the same ol' address. That's **WONDER WORDS**, c/o National Periodical Publications, 75 Rockefeller Plaza, New York, N.Y. 10019. See you next month!
