Flame vision... like Supergirl's... I mean, like I used to have, I mean...

Maybe... maybe she wasn't a clone of me, like I thought. Maybe she was... something else.

In any event, with any luck, she's not as invulnerable as I am... or maybe she doesn't know how to use it... so maybe I don't have to worry about her anymore--

How'd she have it when I don't?

Oh... my God... tell me that's just a... a trick of the light...

Comet once told me I used to leave a Flame trail behind when I used my shunt power... a trail that looked like an "S"...

I don't know what to think.

But hey, what else is new?

But... that power's gone... along with the Flame vision... and Supergirl...

...isn't it?

HEY, SWEETHEART... I BET I CAN GET YOU TO SAY MORE THAN TWO WORDS AT A TIME!

YOU'D LOSE.

BZZZ...?
