the AMAZING SPIDER-MAN

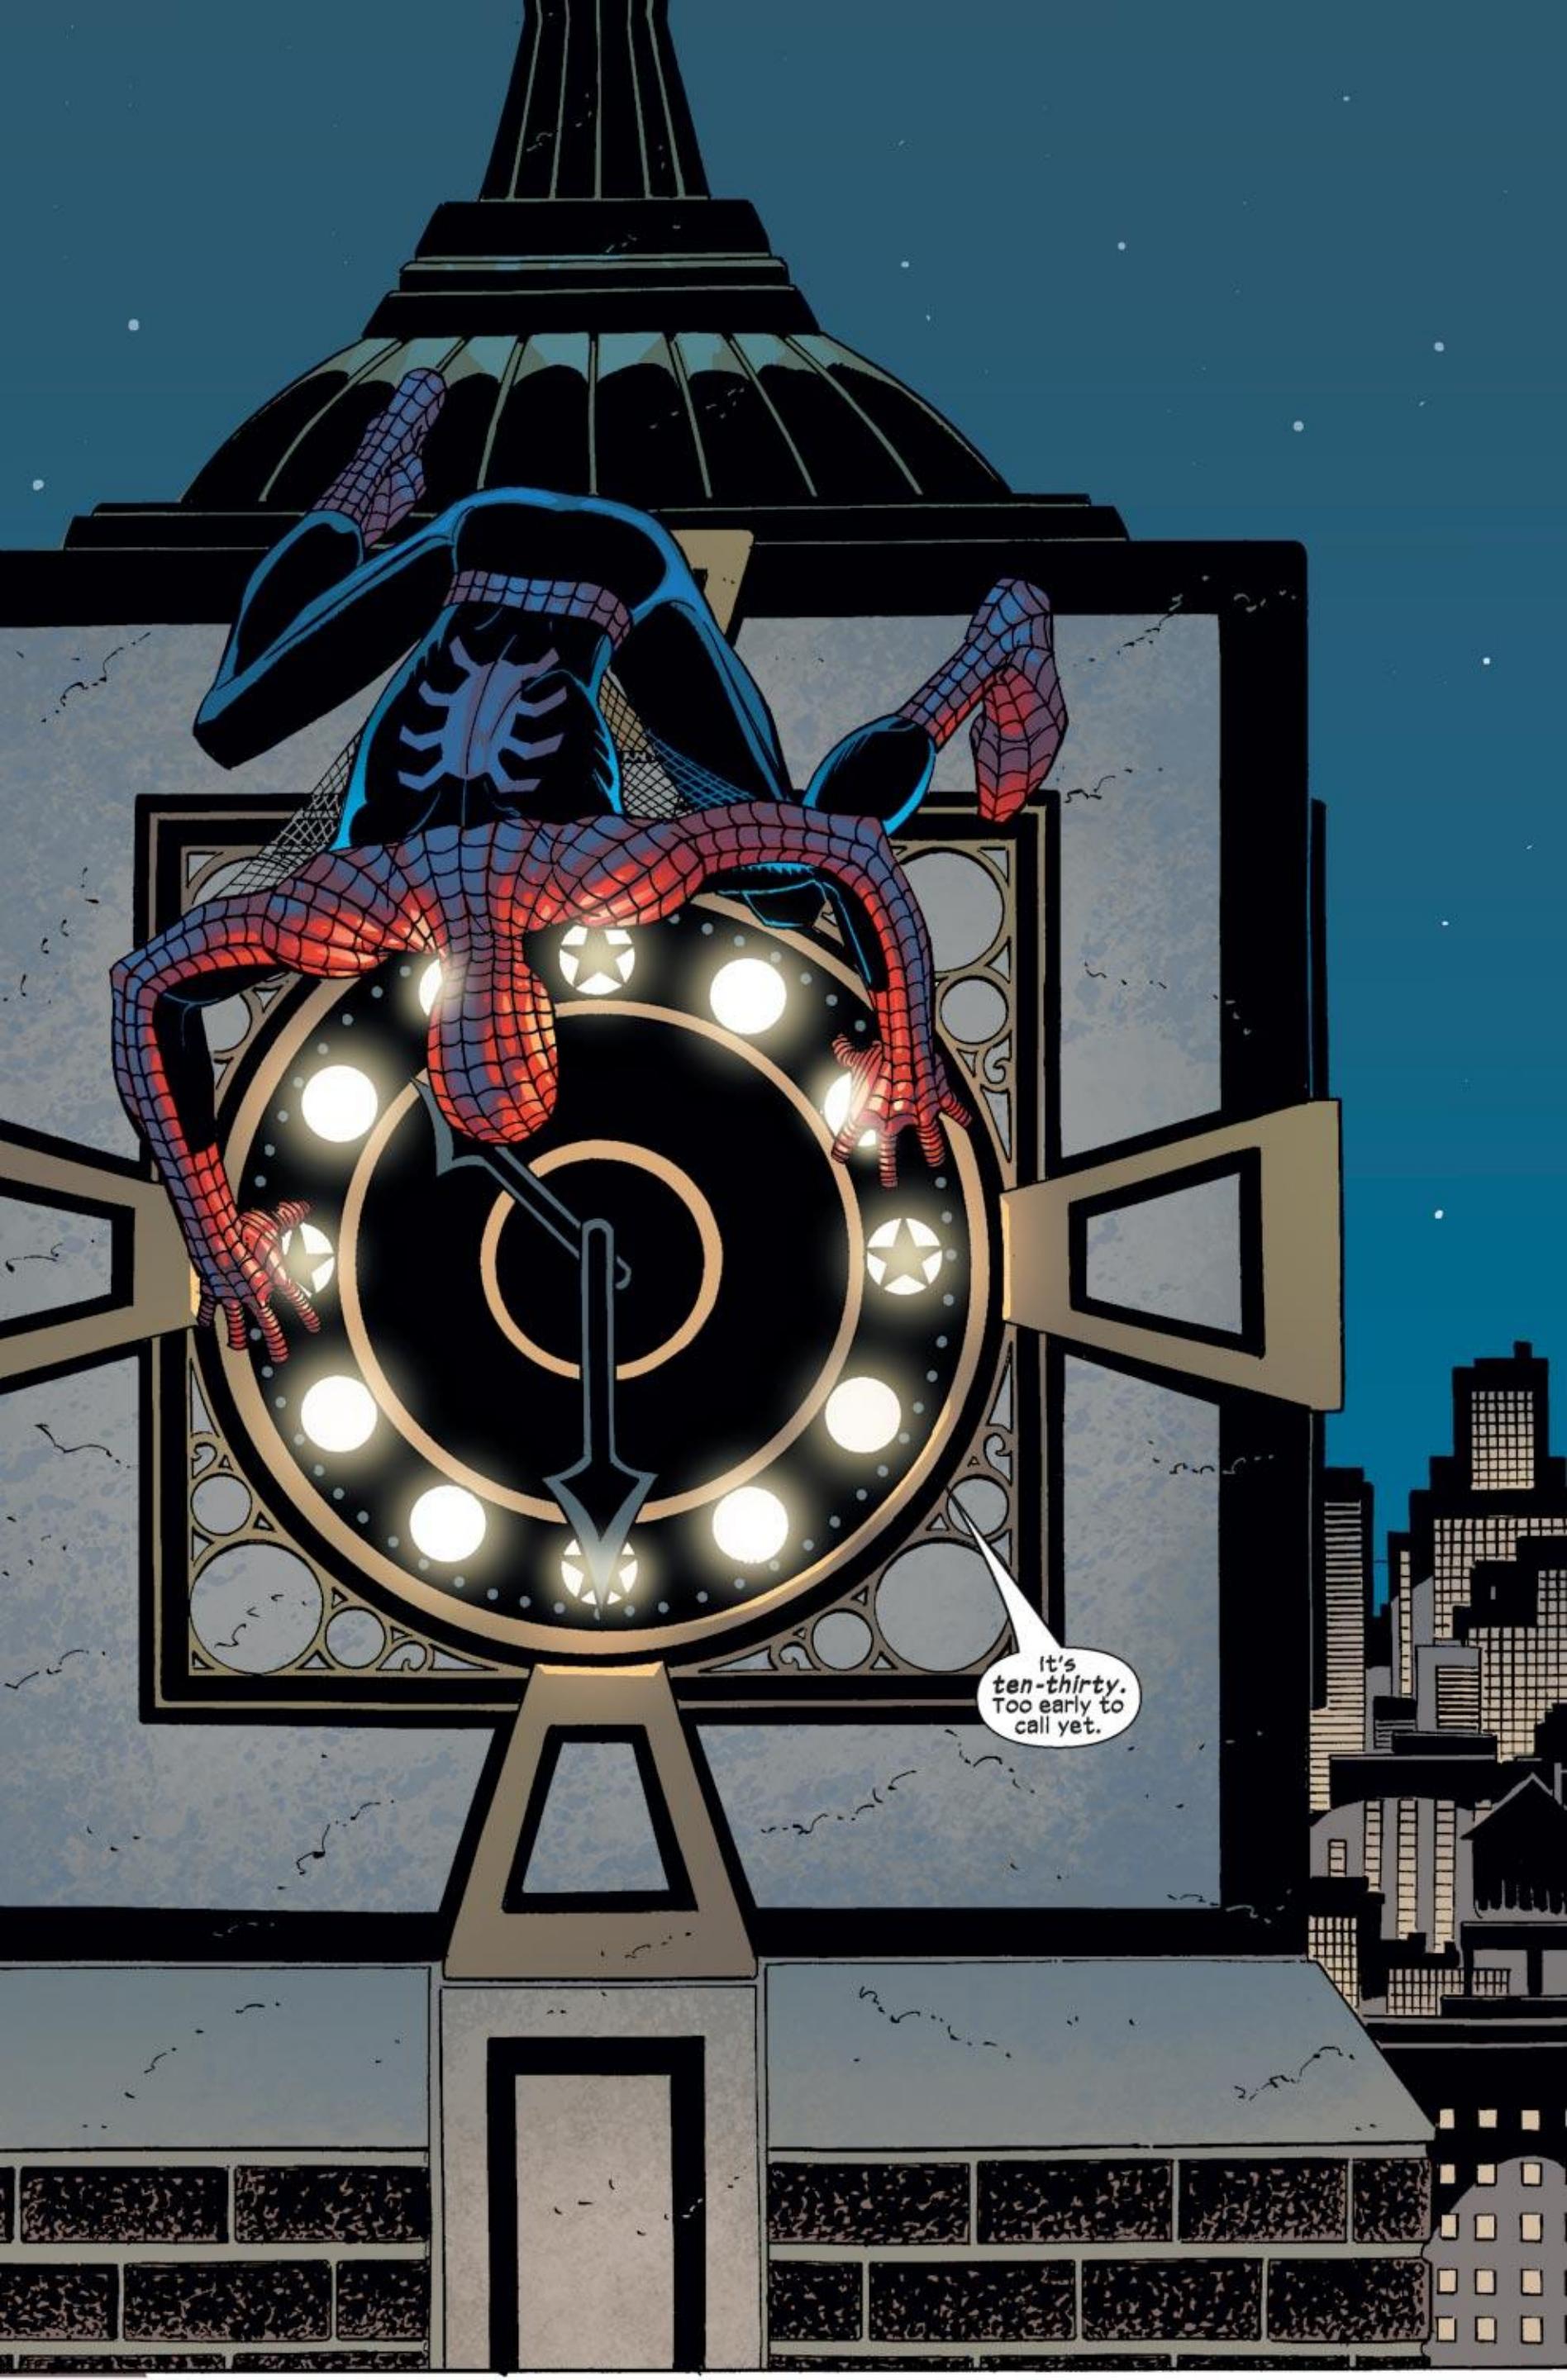

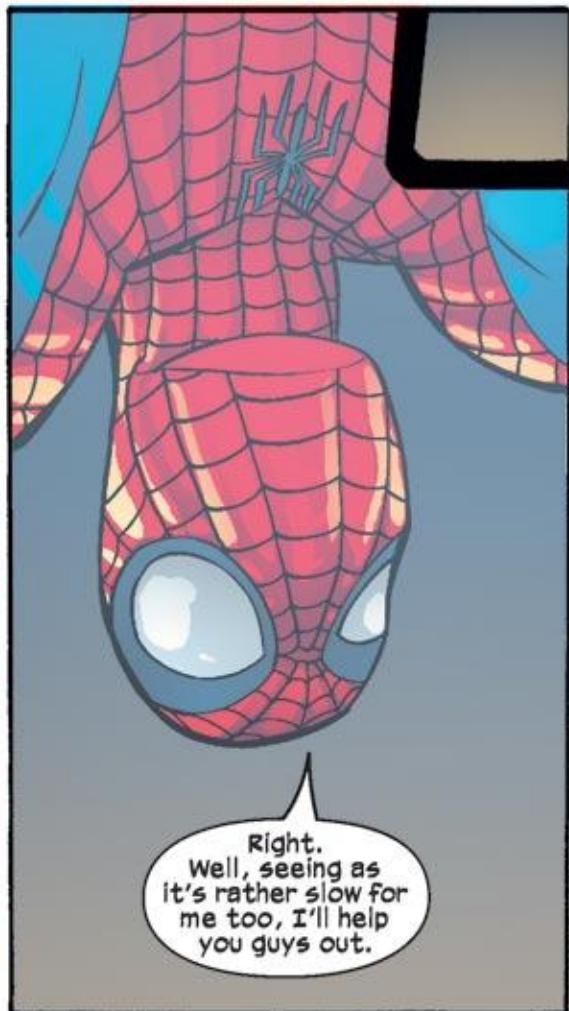

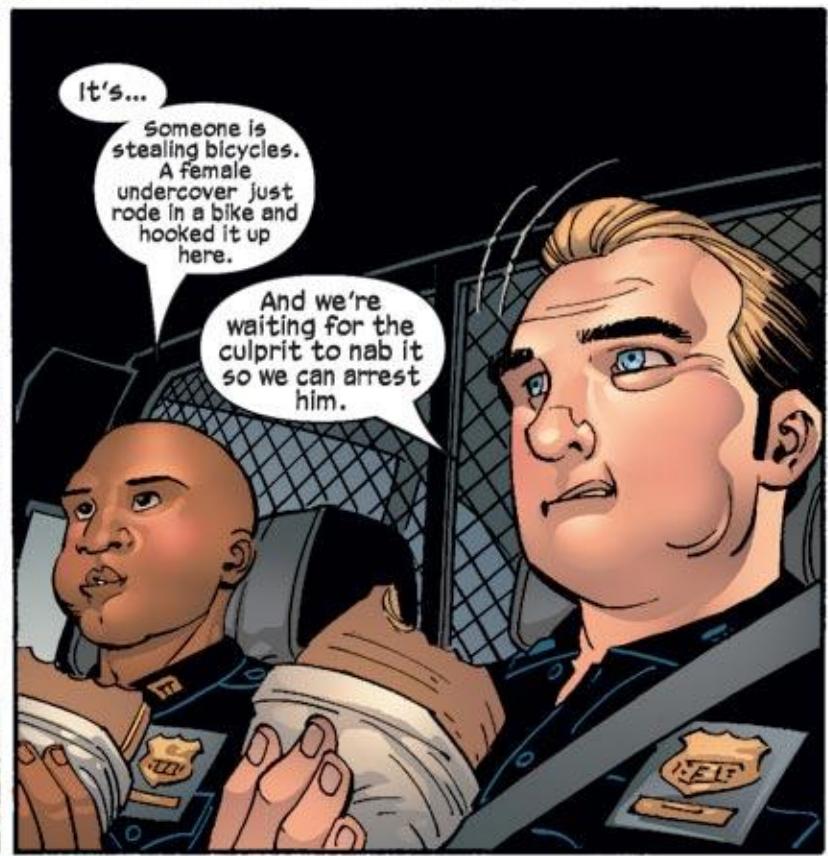

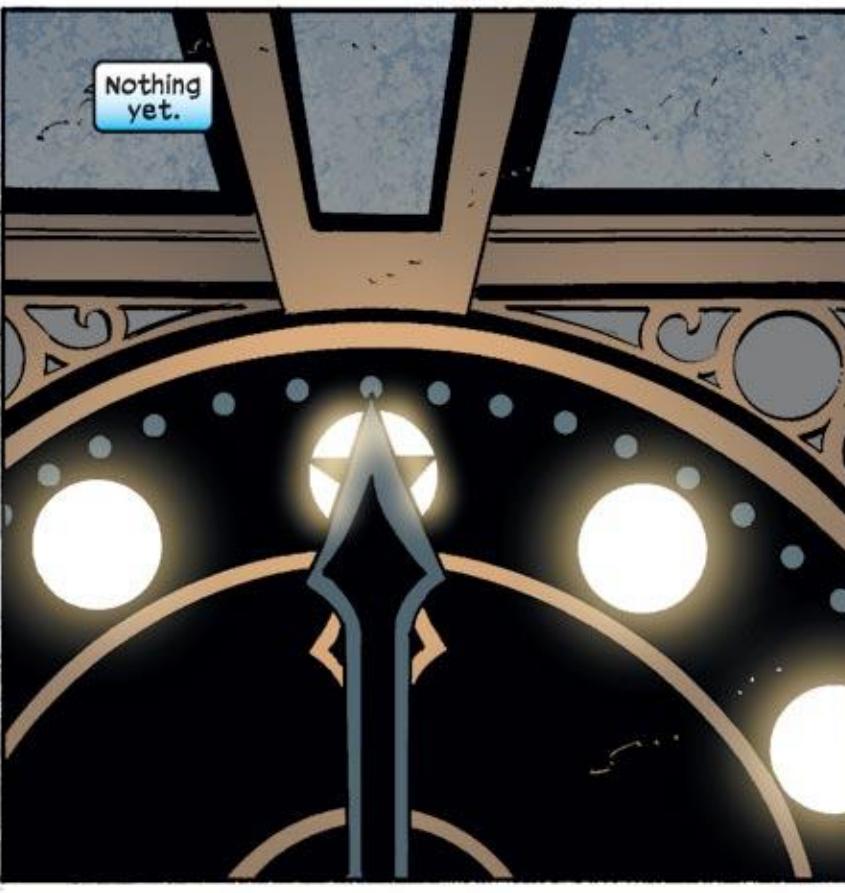

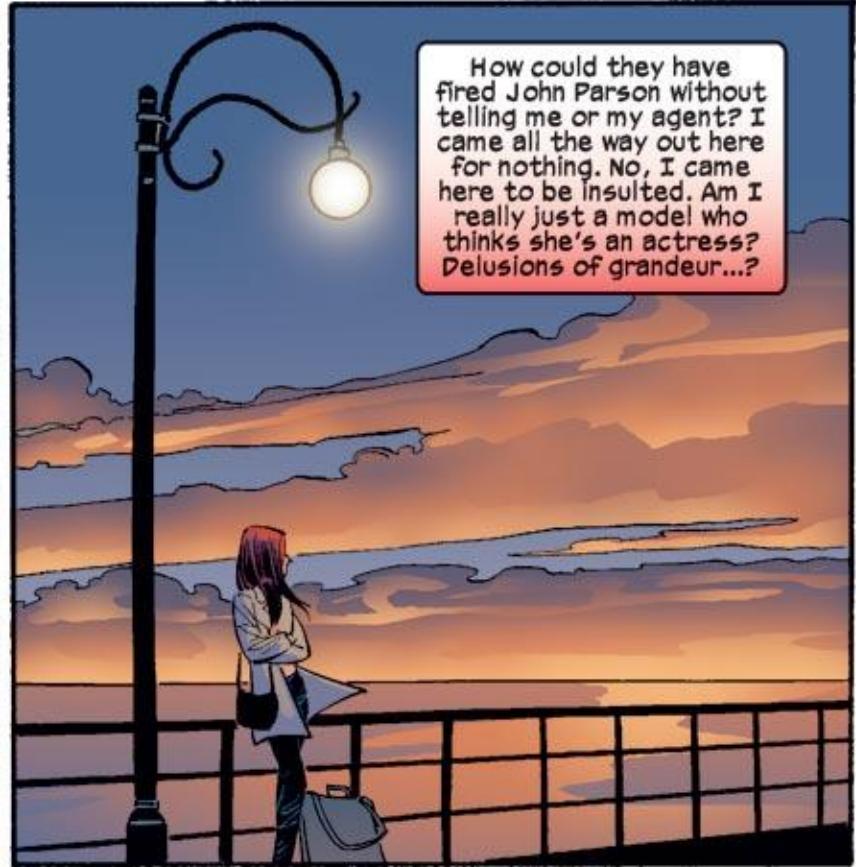

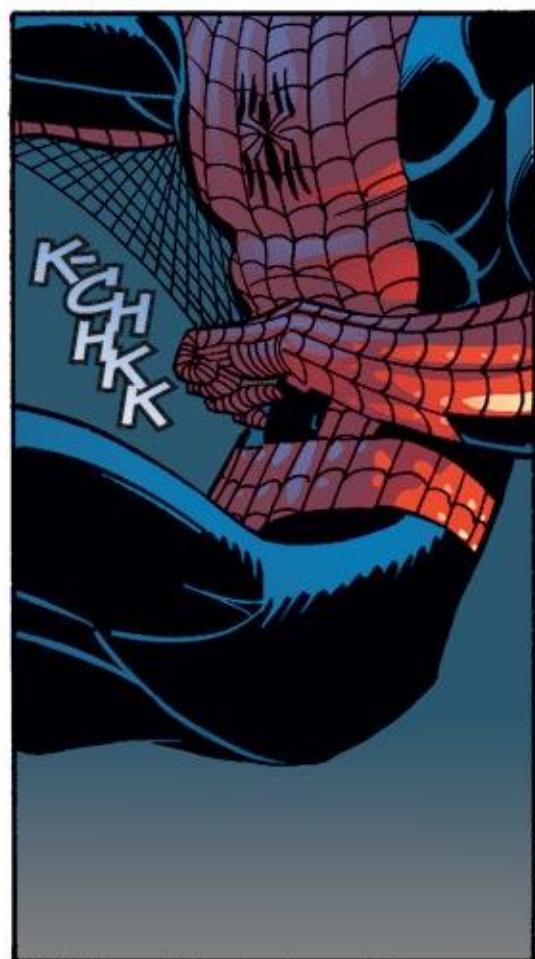

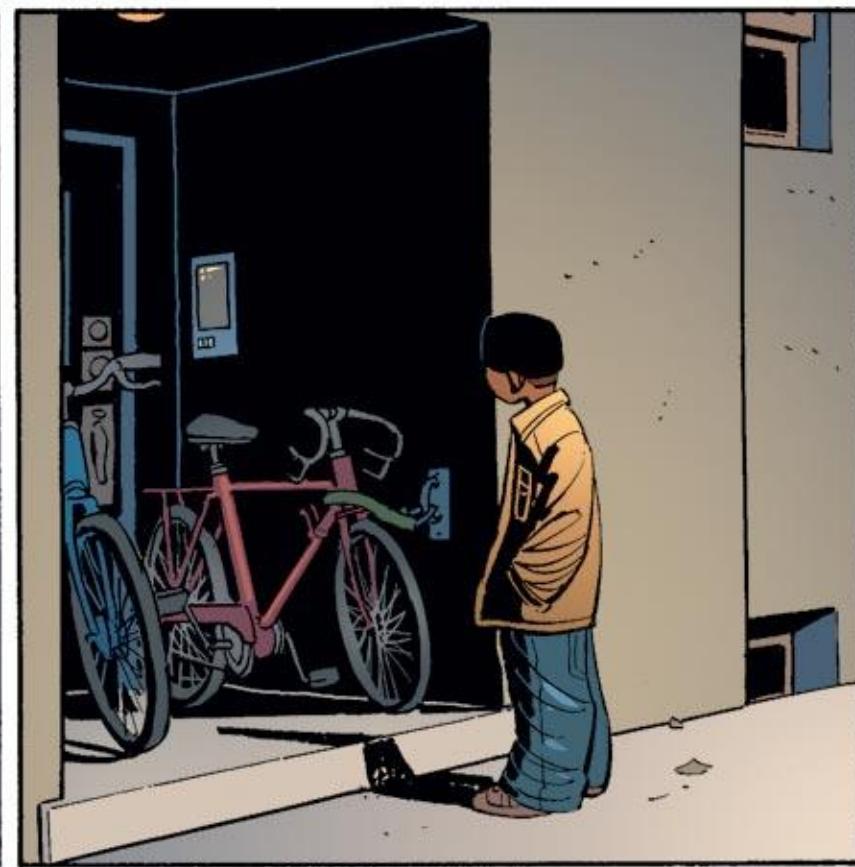

A comic book panel showing Spider-Man climbing the side of a tall skyscraper at night. He is wearing his classic red and blue suit with a spider emblem on the chest. He is positioned on a circular decorative element on the building's facade, which features a star pattern and a clock. The city skyline is visible in the background under a dark sky.

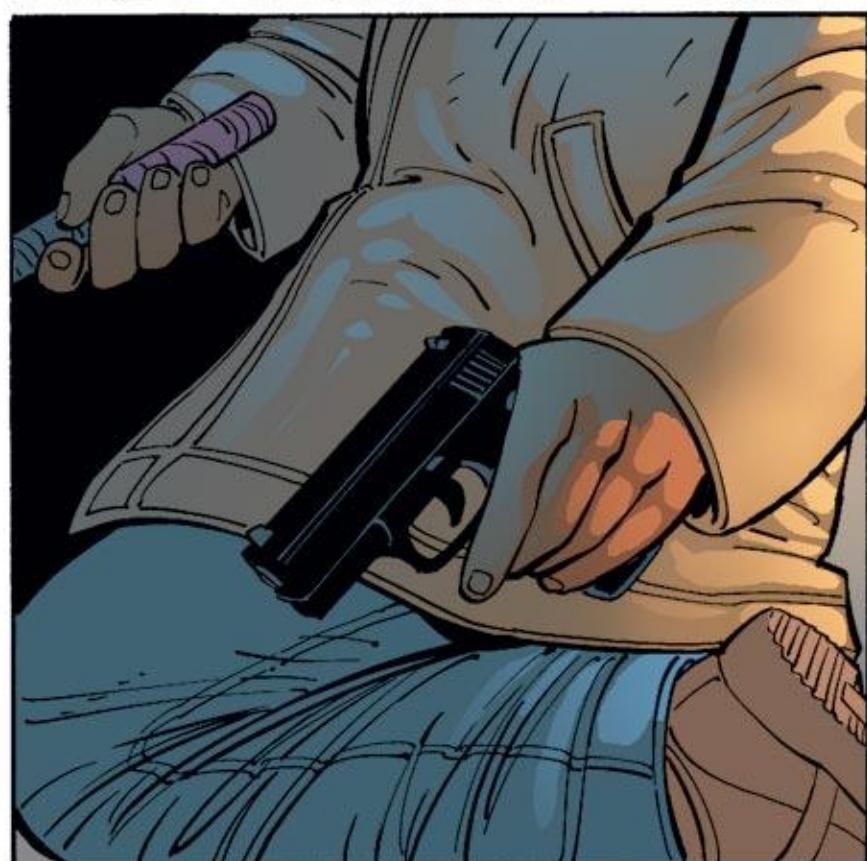

It's
ten-thirty.
Too early to
call yet.

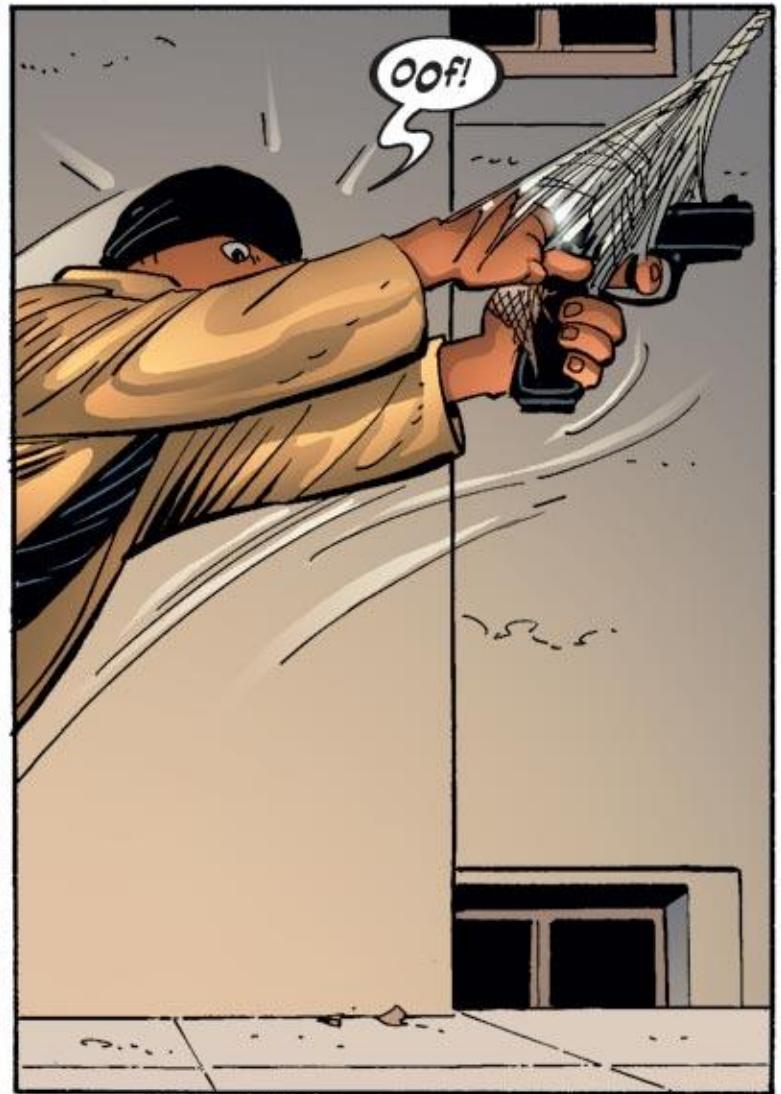

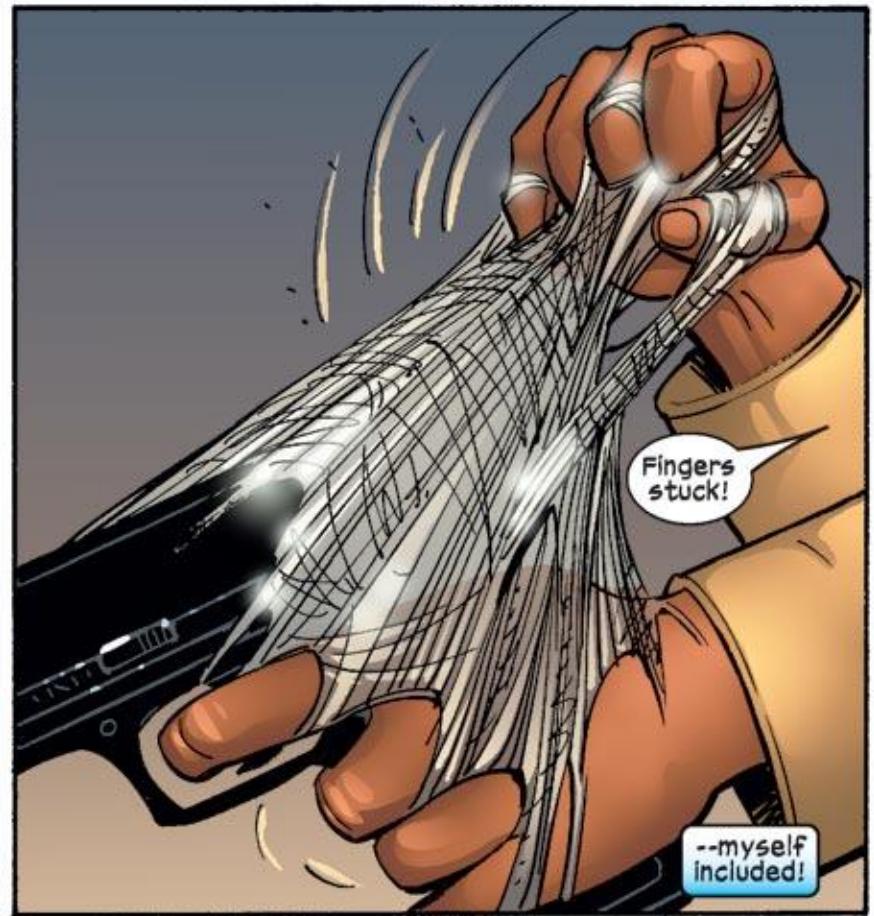

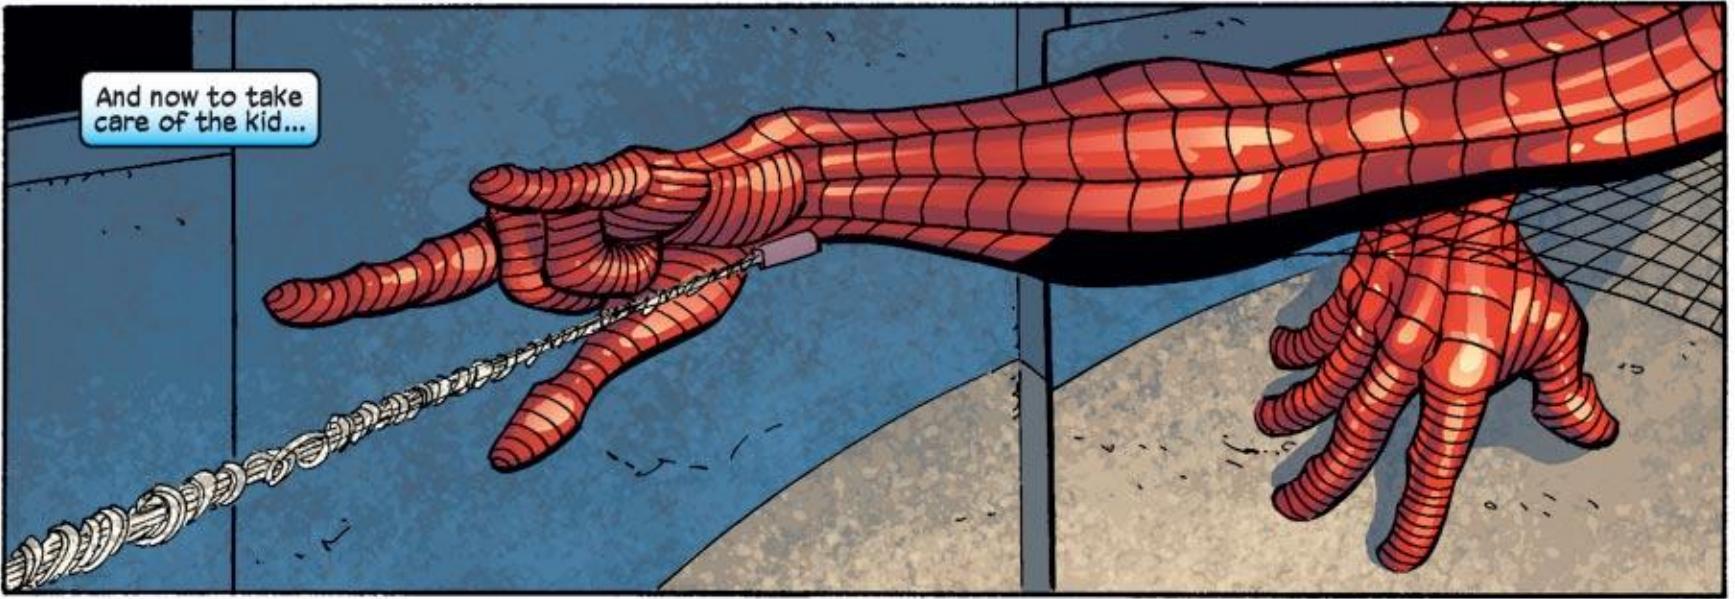

Worst place he could be.
Forward, he falls, backward,
he'll shoot. If I try and web
him, he could shoot or fall.

"...And never, ever let them see that you doubt yourself."

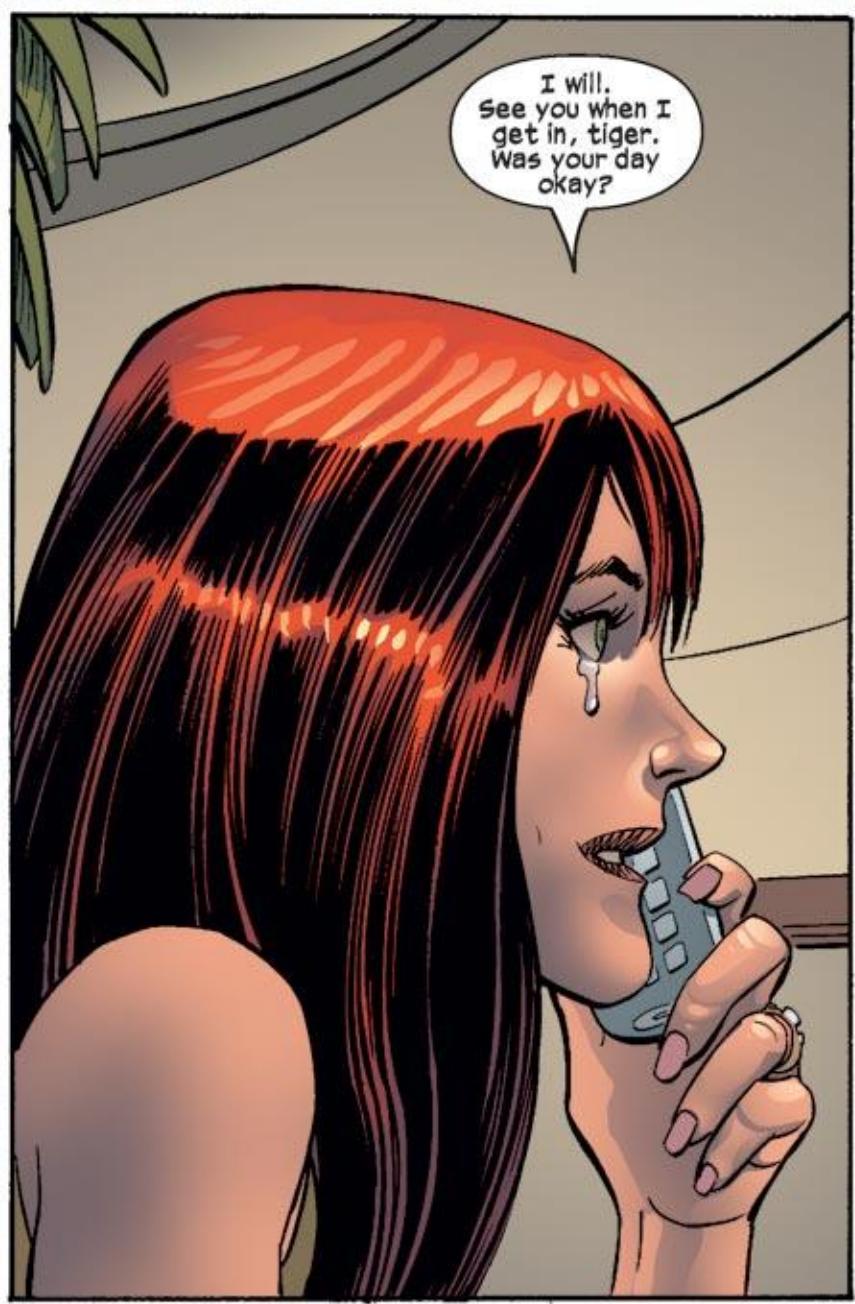

**BLEEP-BLEEP-
BLEEEEP!**

Is
it--?

Couldn't
be better
...couldn't
be better.
