I'VE INFORMED BROOK-CHAN OF THE SITUATION AS WELL, THROUGH THE DEN-DEN MUSHI IN THE STADIUM.

OH...? SO HE'S ABANDONING HIS LIFE AS A STAR... THAT SKELETON SURE HAS GUTS.

DON'T YOU WORRY, LUFFY...

WELL, WHAT'S THIS NOW? EVERYONE'S TENSION SEEMS TO BE ON THE RISE!

BUT, RAYLEIGH!! WHAT ABOUT LUFFY? HE'S STILL NOT...

D: Hello Odacchi, I figured out the tank top you were talking about in Volume 60 about Chapter 589. It's "Bound". It's "Dog" and "ND" for Bound. I also love the Odacchi that forgets things he wrote himself. P.N. Burdock (\* Dogs say "Bau!" instead of "Bark" in Japan, and Bau sounds like Bou.)

O: OHHHHH~!!!! I see-. That's it!! It's gotta be that! Whew-- how could you tell? Man-, I thought really hard too, but I couldn't figure it out. Thanks!!

D: ODACCHI, TELL US YOUR FEELINGS (WILL) AS OF NOW IN 3 LETTERS!!  
Pen name, Monkey D. Emi

O: IDK (\*Note he is answering at the same time by using 3 letters.)

D: My chest is hurting, and my stomach feels like it's about to puke, but is this the rumored "Haki"? P.N.vlue

O: I see that is "Hakike". (Hakike means Nausea)

D: There's something that ReAaaaaly bothered me so I took a pen for the first time! And so, the question is Sanji's \*BAM\*! 2 years later.... IT'S JUST PLAIN OUT THERE!!! And why hide the \*GGGGG\*?? Please choose out of my speculations below!

- ① Illustration mistake
- ② Image change
- ③ He's actually a twin named Yonji.

P.N.Aoya

O: I apologize. I couldn't really hear because of the construction nearby, but Sanji hasn't changed at all, has he? From 2 years ago.. ah! Oh, the goatee, right? Looks like he let his goatee grow. It looks pretty wild and pirate-like and I like it a lot. What else.. he has always hidden an eye and... curled his brows.. didn't say anything new to Luffy and the co. when they were reunited... Nothing has changed! If I have to chose, I guess ① if you found anything.

And now from page 182, the seiyu SBS! I will return in the next volume!
