BRUCE  
WAYNE, THERE  
YOU ARE!

YOU'VE BEEN  
AVOIDING ME ALL  
WEEKEND.

MEET ME AT  
LA FLEGERE, 10:30  
TOMORROW  
MORNING.

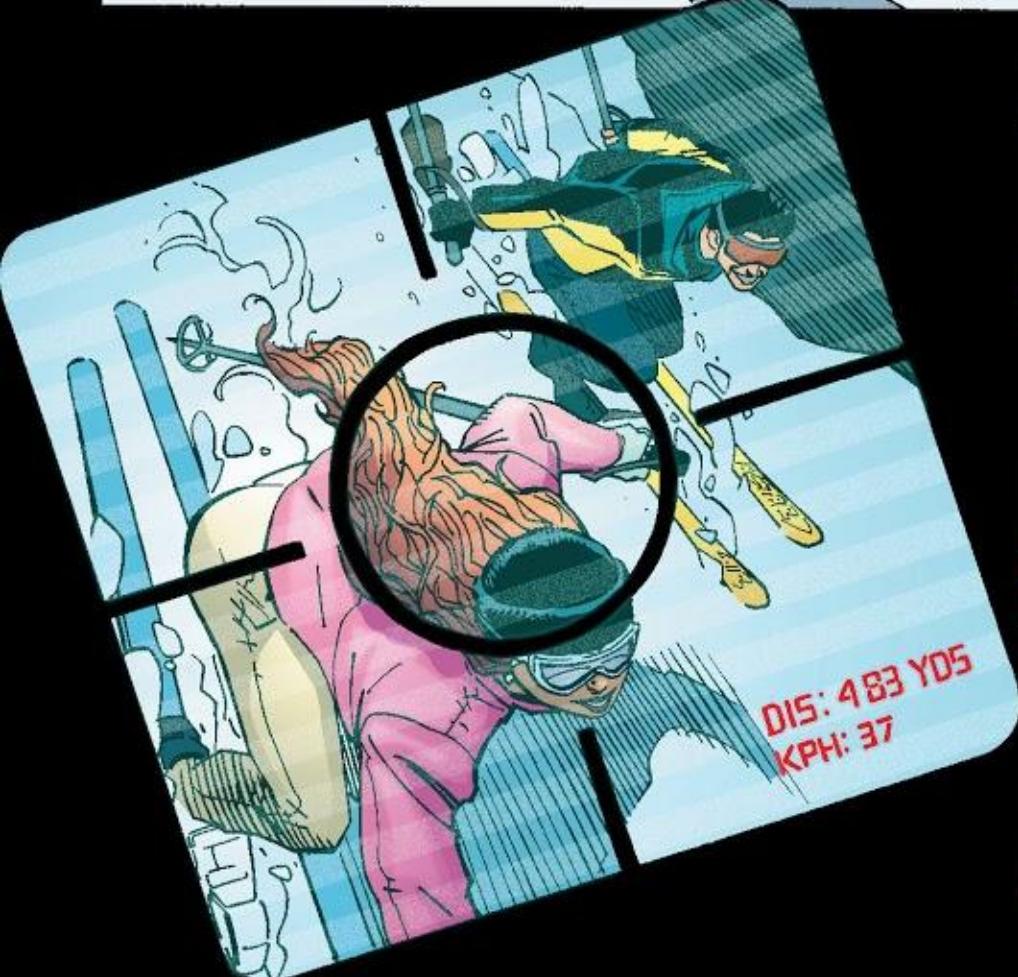

BATMAN CREATED BY  
BOB KANE

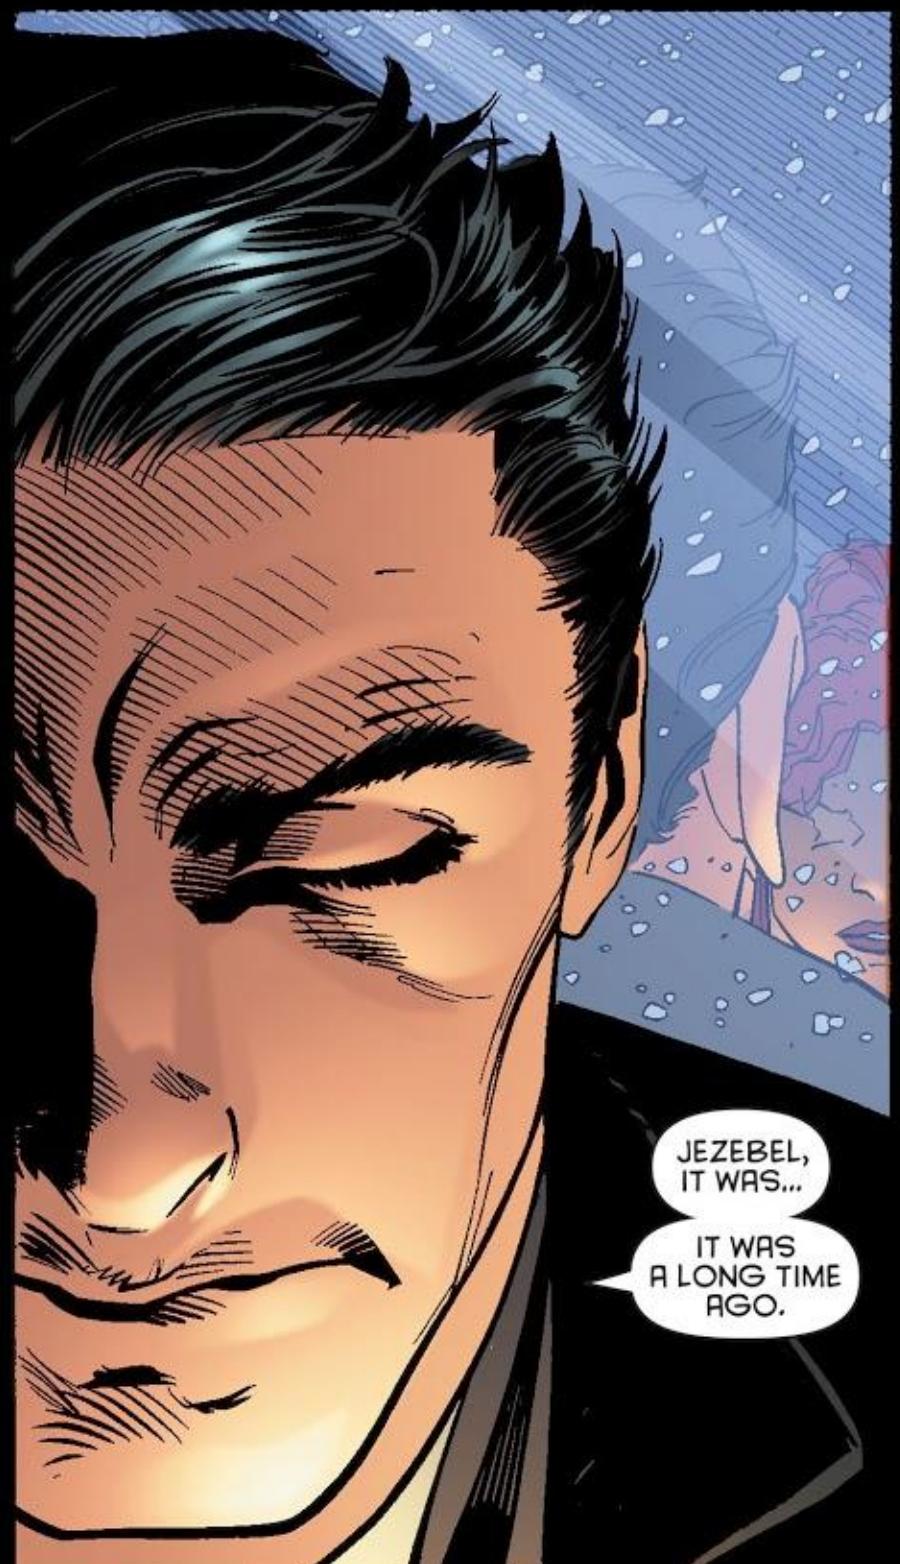

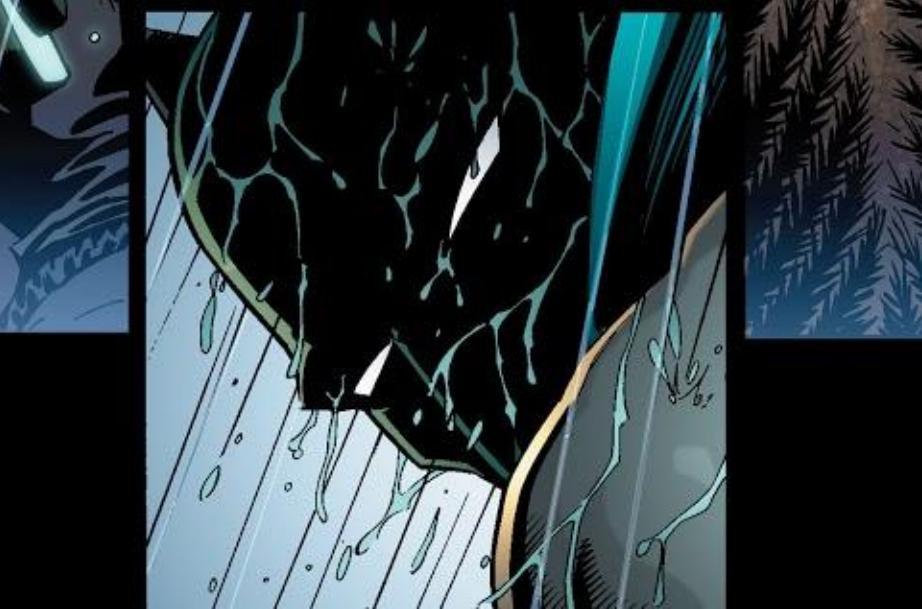

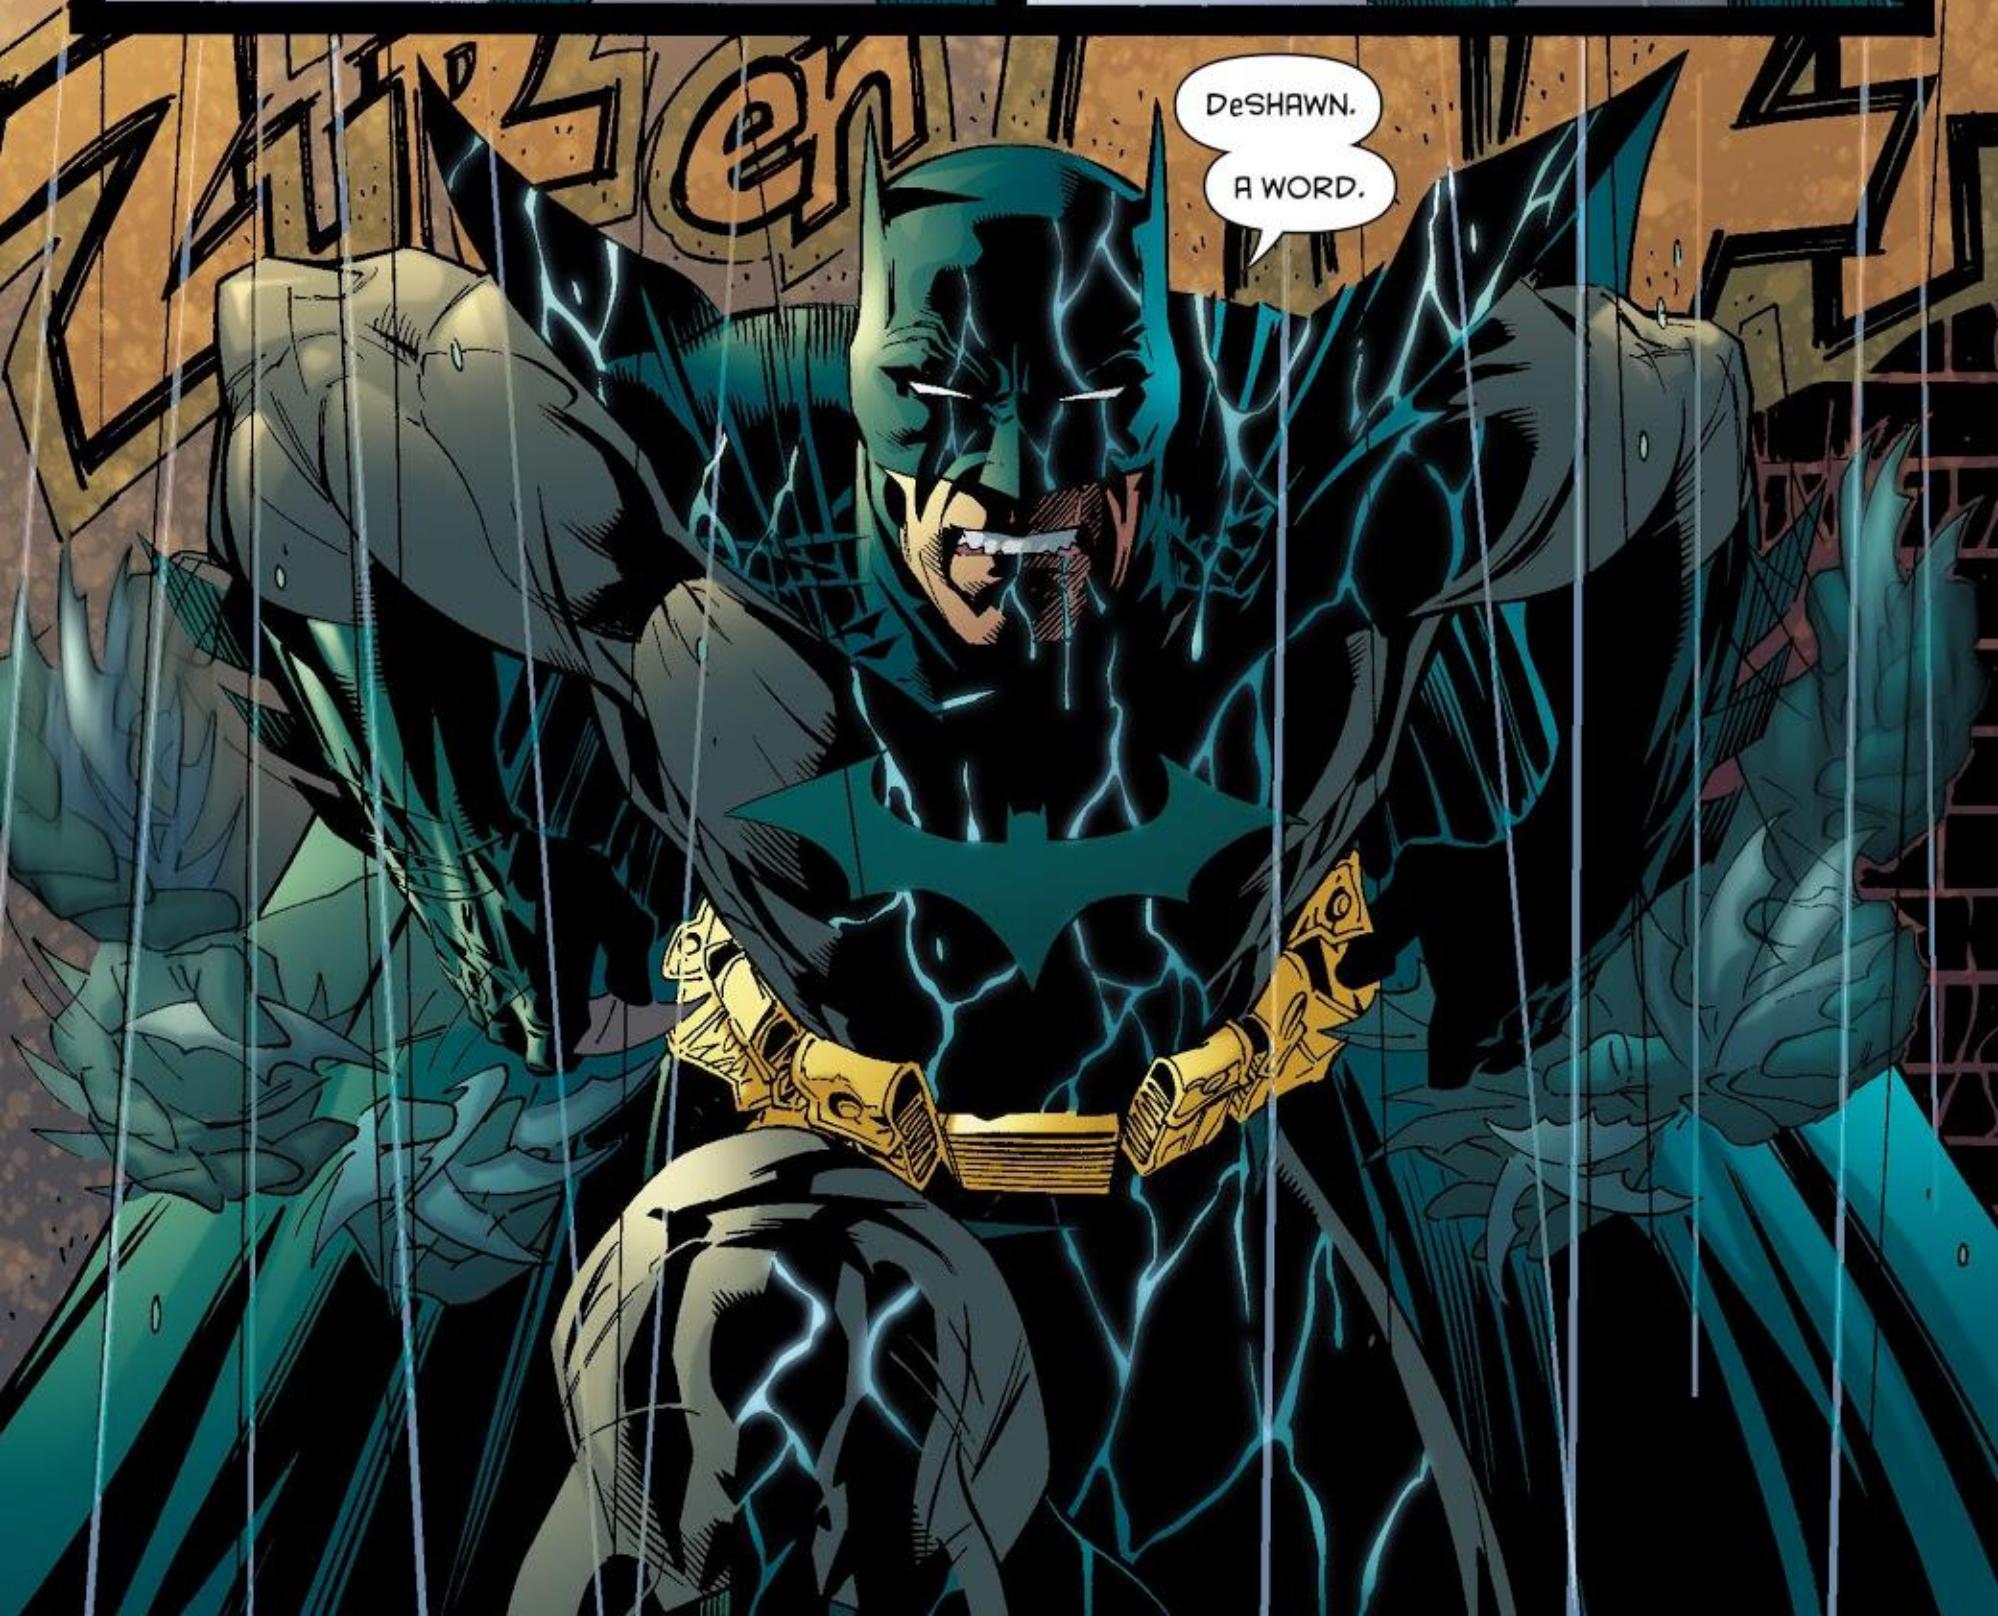

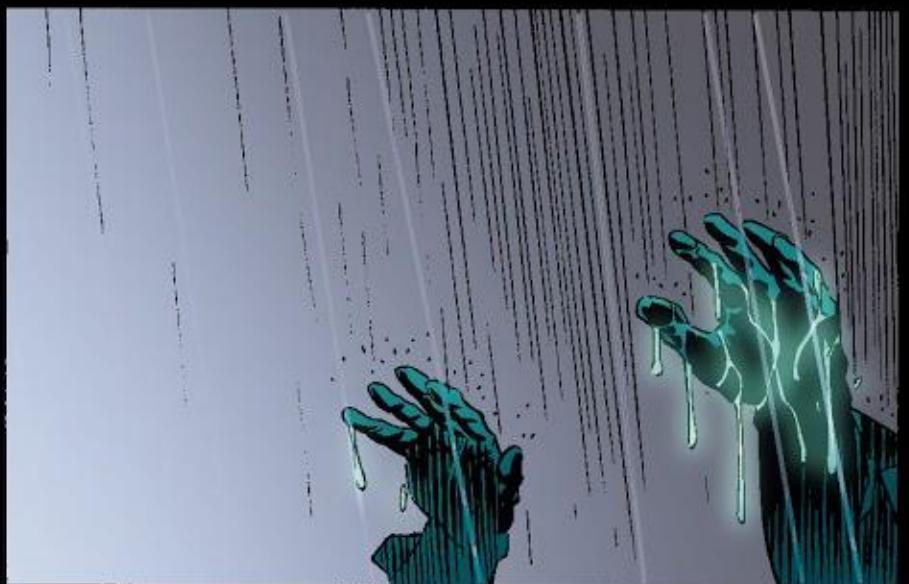

Gotham City.

THEY SAY  
THEY WON'T  
DO IT NO  
MORE.

DeSHAWN.

A WORD.

I DON'T DRAW THE LINE AT  
NUTHIN, BATMAN, BUT I DRAW  
THE LINE AT MONSTERS  
ON SMACK!

MONSTER?

THOUGHT  
YOU PROMISED  
ME YOU'D GET A  
STRAIGHT  
JOB, ELLIE.

AND LOOK  
AT THIS KID! SHE  
CAN'T BE DEALING  
WITH THIS LEVEL OF  
AGGRESSION!

I... I CAN'T  
HARDLY READ  
OR WRITE...

I DON'T  
NEED TO HEAR  
EXCUSES.

YOU CAN  
TALK.

YOU CAN  
SMILE AND  
ANSWER A  
PHONE,  
RIGHT?

I HEAR  
THESE PEOPLE  
ARE HIRING  
RECEPTION  
GIRLS.

DON'T  
LET ME SEE  
YOU ON THE  
STREETS  
AFTER  
TONIGHT.

YOU!

HOW  
LONG YOU  
BEEN SUPPLYING  
G.C.P.D. WITH  
GIRLS?

WHAT  
DIFFERENCE  
DOES IT  
MAKE?

THEY WON'T  
TALK, NEITHER.  
THEY'RE ALL  
IN ON IT!

HE'S  
WUNNA  
THEM,  
BATMAN.

THE  
MONSTER'S  
A COP!

GET US ALL  
KILLED, WHY  
DON'T YA!

TAKE  
ME TO  
HIM.

Regular patrol.

My nightly workout.

Chasing a few old leads.

Missing street girls.

Cases nobody seems  
to care about.

But *this*...

Bent cops.

Monsters.

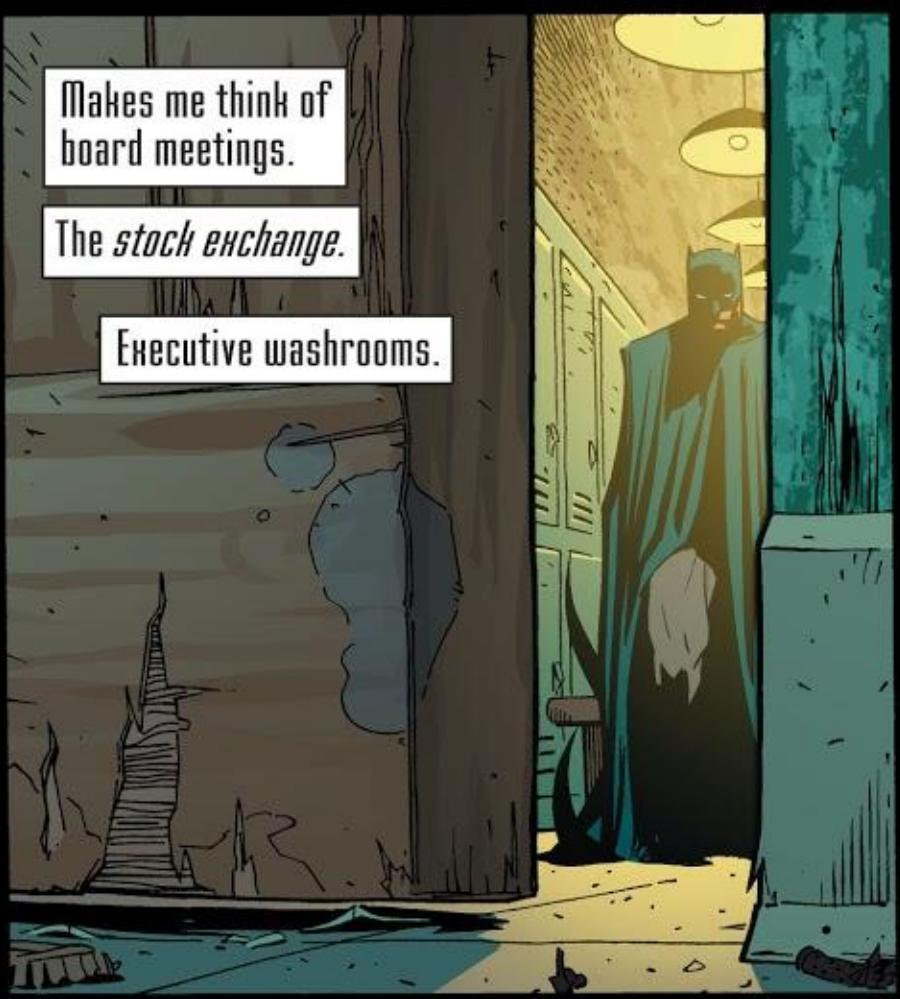

Sick sweet smell of human  
flesh past its sell-by date.

The crawling sixth sense that tells  
me I'm on to something rotten.

I'm opening a can so full of worms  
you could bury your dead in there  
and they'd be bones by morning.

The locker room smell's so thick in here it's like weather.

Makes me think of board meetings.

The stock exchange.

Executive washrooms.

It's testosterone.

Alpha male hormone.

BE NICE.  
BE NICE.

DON'T BE  
SCARED.

I WON'T  
HURT YOU.

I guess I'll have  
to take their  
word for it...

Gets me thinking  
about the *other* cop.

In the Batman  
uniform.

And I'm thinking about the  
files in the *black* casebook.

When I shouldn't  
be thinking at all.
