*The Story So Far*

To protect her friends, Lucy breaks Aquarius' gold key and summons the Spirit King!! Thanks to the King she also inherits Aquarius' magic, and combining that with her own she unleashes Urano Metria on the kyuukimon Jackal, defeating him!! At the same time, the Spirit King, who is fighting against the King of Hades, undoes the latter's curse Alegria, thus freeing the trapped FT members. He then keeps him blocked by turning him into stone and goes back to the Celestial Spirit world. This time Natsu, Gray, Gajeel and Juvia run to protect Lucy!! Their fights against the kyuukimon demons are resumed! The light created by Lucy makes FT strong!!
