002

Possibly the world's most skilled mercenary, definitely the world's most annoying, Wade Wilson was chosen for a top-secret government program that gave him a healing factor allowing him to heal from any wound. Now, Wade makes his way as a gun for hire, shooting his prey's faces off while talking his friends' ears off. Call him the Merc with the Mouth...call him the Regeneratin' Degenerate...call him...

Welcome to the first issue of what is soon to be the top-selling letters page (that comes with a free comic book attached) published by Marvel Letters Pages. I know all you PoolHeads out there are just champing at the bit to write me, but...my first issue isn't even on sale yet! So, I had some of the slack-jaws over at Marvel send me some letters, just to bring you readers that awesome letter answering goodness right away!

Hi Pooly!

I have two very important questions to ask you! Where were you while the Avengers fought the X-Men? And do you miss taking care of a baby Nathan-Dayspring-Askani's son-Christopher-Summers-Soldier-X-Cable? Thank you so much for trying to save the world from evil zombie presidents!

Your buddy in the Bullpen,
Irene Lee

Hi Irene,

I spent AvX drinking beers and laughing with Uatu. That pituitary giant can hold his liquor.

As for babysitting, I don't miss it. When you're holding a baby, you always need a second or third hand. To reload a gun, or to stab away. It's especially tough to babysit for any kids after Cable. He was such a cute, durable baby. Human babies are so badly made. One drop and the panel fills with siren sound effects and screaming. No, thank you!! Unless you need me in a pinch to fill in, in which case my standard hourly rates apply.

-D

Dear Deadpool,

You've got plenty of muscles that you're always showing off to the ladies. I'd like to know what your daily workout routine is like? We have a Marvel push-up club here at the office and we can really use some inspiring words from the regenerating degenerate playboy!

Sincerely,

The Marvel Push-Up Club
President and best looking
guy in the Bullpen!

Manny

Manny, push-ups are for losers like Wolverine. Luckily, trimming the fat has always been easy for me. I use a sharp knife and usually prune back my spare tire a couple of times a year.

-D-Pooly

Dear Deadpool,

Deadpool, did you enjoy dressing up as Marvel Girl to distract Cable that one time? (It was a little weird, since she's his mom. Sort of.) Are there any other superheroine costumes you're dying to try on?

Jennifer Smith

Thanks for your thoughtful question. I have no problem slipping into women's clothes. In fact, keep your eyes peeled for me to use a cunning disguise to get within stabbing distance to the reanimated JFK.

-Dead

Dear Mr. Deadpool,

I hope this missive finds you well, I am the wraith of Franklin

Pierce, the fourteenth president of these United States. I understand that we are to face one another in combat and I am writing to discuss a few ideas I had. History seems to have forgotten me, and I wanted to let you know that I'm open to be a recurring villain. Please don't hesitate to contact me for any reason.

Warmest regards,
Franklin Pierce.

Your "missive" reads like a Nigerian scam letter.

No. Just no. I'm sending you back to hell, and it will probably be off-panel.

Oh, Spoiler!

That's it for this month, but... like my comic? Wanna tell me how great I am? Need advice on ladies? Write in to me! I'll set you straight.
