# CRIMES IN THE DARKNESS

MATTIE...  
LISTEN TO ME...  
I'M TRYING TO GET  
THROUGH TO YOU...  
MATTIE, CAN YOU  
HEAR ME...?

NO, YOU'RE NOT  
"EVIL", MATTIE. NEITHER  
IS SILVER BANSHEE.  
NOT REALLY.

OF  
COURSE I CAN  
HEAR YOU, YOU IDIOT!  
I'M EVIL! I'M NOT  
DEAF!

SHE'S TERRIFIED,  
FRIGHTENED,  
DESPERATE...

Mattie's brother was killed during the "Final Night" scare... and his killer was sentenced to the state mental facility in Schaffenburg, the next city over.

Right after she took over Mattie's body, Silver Banshee was raving about getting Mattie's brother's killer. That's got to be her destination.

And she won't hesitate to kill him. After all, she tried to kill me, and I've already saved her butt several times.

And she would have killed me... if I'd only been Supergirl. But I'm as much Linda as Supergirl now, not simply one wearing the shell of the other. It's not like Clark effecting a change by swapping suits. I really am Linda now.

Now if only I could figure out this whole "angel" thing. How can I be human...and some otherworldly creature at the same time? It makes no sense.

Well, I'll get it sorted out later...

Well, *this* is pleasant.  
Me with my hand  
clamped over her  
*mouth*...her with her  
hands on my *throat*.

What a great way  
to encourage a  
positive dialogue.
