SPIDER-MAN

High schooler Miles Morales was bitten by a stolen, genetically altered Spider that granted him incredible arachnid-like powers. He has only shared this secret with his friend Ganke, Fabio Medina (A.K.A. Goldballs), and his secret agent father, Jefferson. Recently, Miles' mother Rio learned Miles and Jefferson's secrets, creating a rift in the family. In order to bridge this rift, Rio went to Miles' dorm to talk it out, but he was gone...

Black Cat's main goon Hammerhead put Miles' fellow young super hero Bombshell in the hospital. When Miles, Ganke and Goldballs learned this fact, Miles took off to fight Hammerhead alone, and the brutal battle did not go well for the webslinger...
