Some jobs are just too tough for your average fast-talkin' high-tech gun-for-hire. Sometimes...to get the job done right...you need someone crazier than a sack'a ferrets. You need Wade Wilson. The Crimson Comedian. The Regeneratin' Degenerate. The Merc with a Mouth...

DEADPOOL

Evil Deadpool, a chaos-loving version of Wade made up of cast-off body parts healed together, is out to show Deadpool just what people think of him. To that end, he's kidnapped the children of the NYC chief of police, intending to do the one thing Wade would never do...kill a kid. Don't worry, Wade has a plan: ruin his own rep before Evil Deadpool can. To that end, he's kidnapped a kid in the middle of Times Square, figuring his doppleganger or Captain America (currently out to take 'Pool in) would stop him before he can kill the kid. Except Evil Deadpool got the drop on Cap last issue. Uh-oh.
