WHY ARE MEN
FORBIDDEN ON
PARADISE ISLAND?
WHAT WOULD HAPPEN IF ONE
STEPPED ON THE SOIL OF THE
AMAZON ISLE?

HERE, AT LAST, IS THE
ASTOUNDING ANSWER!

BACK! ALL MEN
ARE BANNED FROM
THIS ISLAND BY
**APHRODITE'S
LAW!**

This could be
the year you get
a Daisy®.

Here's how.

If you want the fun of owning a Daisy B·B gun, talk to Dad. Show him you're ready for the responsibility that goes along with owning a Daisy.

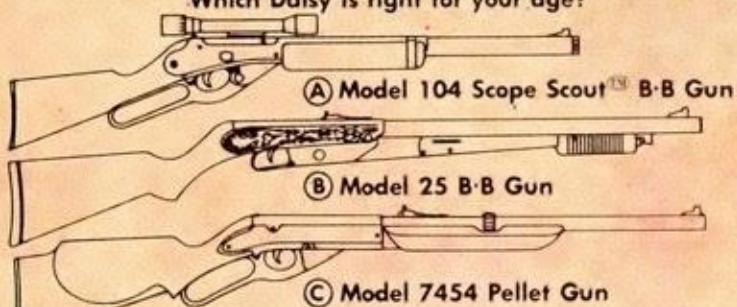

If you're at least 8 years old, you're ready to own a Daisy B·B gun. Have Dad take you to the store that sells Daisy B·B guns. The dealer will show you the Daisy B·B guns that are made for your age and size. He'll give you a free booklet with plans so you and Dad can make a B·B gun range that takes only 15 feet of space. Dad can help you learn the rules of proper gun handling from the booklet, too.

If your dealer is out of booklets, write directly to Daisy for your free copy.

Do you know?

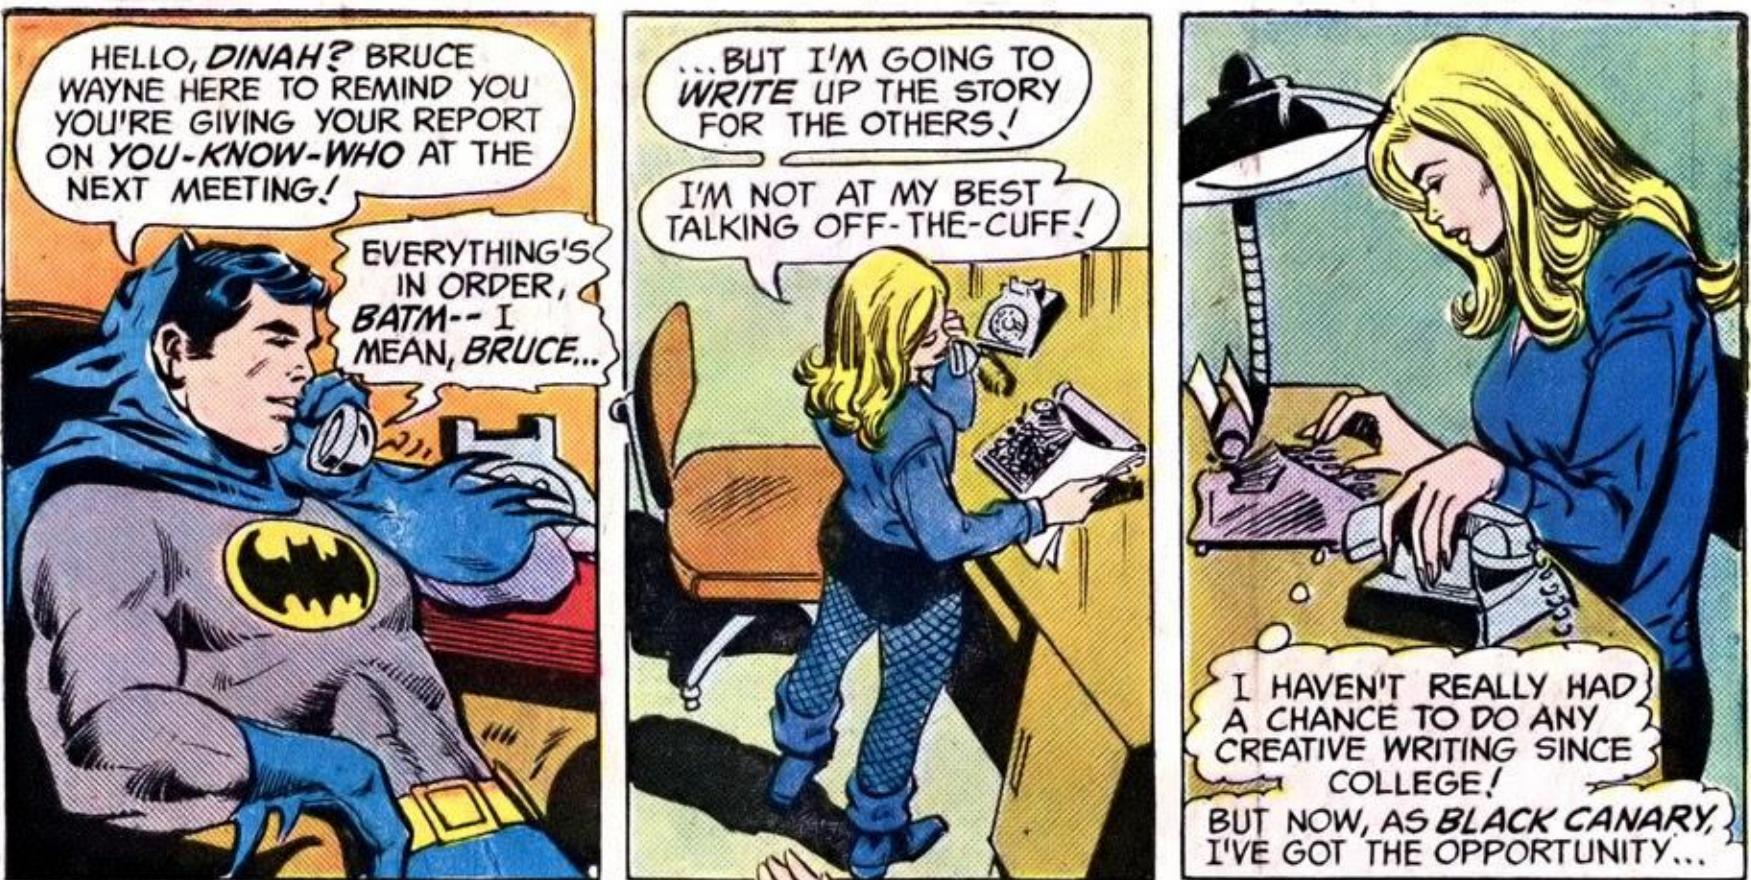

Which Daisy is right for your age?

Daisy
SINCE 1886

Answers: A 8-10 Years Old
B 10-12 Years Old
C 12 Years and older

"Look who's smiling now!"

Sometimes a man sets his ambitions high enough to make skeptics smile. But how often he gets the last laugh! One outstanding LaSalle graduate writes: "At the time I started studying with LaSalle, I was working as a factory clerk. Before completing the course I was transferred to cost accounting and my salary was increased by \$1800. Now, having completed the course, I'm in charge of the department and on my way. LaSalle's course helped me pull myself out of a boring and ill-paid job into a position of opportunity."

The words in quotes come directly from one of the pleased reports that are sent to us by LaSalle graduates. LaSalle files contain many letters from men and women who have moved ahead with the help of LaSalle training. You, too, can prepare for the career opportunity of your choice through LaSalle home study — without interfering with your present work — and by devoting only a little of your spare time.

LaSalle has been a leader in home education for more than sixty years, enrolling over 2,000,000 ambitious men and women in its many courses. You study under the supervision of LaSalle's experienced faculty. Upon satisfactory completion of your study, you receive the LaSalle diploma—a respected credential.

Mailing the LaSalle postage-paid coupon alongside may be the first step toward preparing yourself for a better job, and the many good things that go with success. Simply check the program in which you are most interested, to receive a valuable free booklet describing the opportunities in that field. There is no obligation. LaSalle, 417 S. Dearborn Street, Chicago, Illinois 60605.

Mail this postpaid coupon for FREE Booklet. There is no cost or obligation.

c/o NATIONAL PERIODICAL PUBLICATIONS, INC., 75 ROCKEFELLER PLAZA, NEW YORK, N.Y. 10019.

Dear Editor:

Every female, feminist, and comic book reader owes you a hearty thanks for what you have done and are continuing to do for **Wonder Woman**. After that nightmare of discontinuity and menaces that couldn't threaten a nursery school, the Amazing Amazon is back in the real world!

"Wish Upon a Star" in #214 was grand. You're finally looking past the slogans and are seeing Women's Lib for what it tries to be. That's what **Wonder Woman** is all about! I was amused and a bit shocked by **Green Lantern's** chauvinist tendencies, tempered with fondness and respect though they were. He was certainly never that patronizing when Diana was in the JLA.

Which brings me to a complaint. With nine of these trials to go, it will be at least eighteen months before the Amazon Princess is readmitted to the Justice League and that's too long to wait. I really love these "reported" adventures, but I want **Wonder Woman** back in the JLA, at least on an auxiliary basis, within the next six months. She was always one of its best features and they need her.

By the way, U.N. Crisis Bureau workers don't use Amazon oaths. On page 5 of the story, Diana says, "Great Hera!" If you keep making goofs like that, we'll wonder if you're fit for the Justice League!

MARY JO DUFFY, Garden City, N.Y.

(**GREAT ATHENA!** You mean nobody should use Amazon oaths but **WONDER WOMAN?** **HERA** help us find some other exclamations! . . . BR)

Dear Editor:

It is now a fact: You have a sure winner on your hands, namely **WONDER WOMAN!** Her third JLA-monitored adventure, "Wish Upon a Star," was the third floor and the elevator is still going up.

The story had some really high quality material: An Elliot S! Maggin script with dialogue which flowed naturally, imaginative subplots and well-placed humor (for those of us who know Steve Lombard)! And what lovely art . . . Curt Swan again! His Diana Prince is lovely even to a blind man. If that's the "homely type" WW wants to hide behind, I'm all for it.

I noticed that you had to "short-circuit" **Green Lantern** in order to let **Wonder Woman** handle the case on her own. Otherwise, it wouldn't be easy for him to see a friend in danger and just stand by wondering whether to help or let her win by herself. But I hope there won't be too many of these "coincidences" in the remaining trials.

ALLAN PALMER, Ville Laval, Quebec

(Allan, no matter what the situation, it is very difficult for any of our super-observers to sit back and let **WONDER WOMAN** go it alone. Imagine yourself trying to decide at what point there is no chance of the **AMAZING AMAZON** escaping a trap on her own! That's one tough decision! . . . BR)

Dear Editor:

"Wish Upon a Star" was, in essence, a good story. It had superb art as Phil Zupa's inks complement Curt Swan's pencils nicely. There was plenty of action and a reasonably good plot. But I think Elliot S! Maggin used **Green Lantern** far too much in the story. He was supposed to narrate **Wonder Woman's** adventure, not have it for her! The **Emerald Crusader** appeared in more panels than the **Amazing Amazon** did!

Also, I resent Mr. Maggin's literary license in suddenly endowing **Wonder Woman** with a brand-new power just because she's trapped in a deadly situation and he can't think of any other way to get her out of it! "Special voice"? Super-hypnotism? Come off it!

SCOTT GIBSON, Evergreen, Colo.

(Who says Elliot gave **WONDER WOMAN** the power? She's had it all along and just hasn't had to use it that much! And if you don't believe us, we'll send WW over to use her "special voice" to convince you! . . . BR)

Editor:
