Some jobs are just too tough for your average fast-talkin' high-tech gun-for-hire. Sometimes...to get the job done right...you need someone crazier than a sack'a ferrets. You need Wade Wilson. The Crimson Comedian. The Regeneratin' Degenerate. The Merc with a Mouth...

# DEADPOOL

You know Deadpool, right? Like it says up top, he's the Merc with a Mouth, the Regeneratin' Degenerate—a gun-for-hire with an incredible healing factor that saves his bacon no matter how badly he gets shot up, burned, or exploded. You know all that? Good. What you might not know is that despite his happy-go-psycho exterior, he's actually been pretty down recently. Like many people in the dumps, he's gotten introspective about his recent past. Unlike most people, he's decided to set his self-analysis to music. Watch out, baby...the 'Pool's about to get deep.
