Some jobs are just too tough for your average fast-talkin' high-tech gun-for-hire. Sometimes...to get the job done right...you need someone crazier than a sack'a ferrets. You need Wade Wilson. The Crimson Comedian. The Regeneratin' Degenerate. The Merc with a Mouth...

DEADPOOL

Recently Deadpool decided he wanted to do something good with his life for a change. So he tried to join the X-Men. Which really never even came close to being a good idea.

Now Wade's goin' to the Big Apple to learn from the man who wrote the book on super heroes.

That's right. Night Watch.

Just kidding. It's Spider-Man.
