"I mean, first there was Dormammu, who made the mess that let this Morwen come through in the first place--

--and bad enough she's got the hots for me and wants to give me a bunch of powers to make me her own little magical soulmate--

--then I got you hunting her, then hunting me to hunt her....

"Any way you look at it, I'm up to my webs in magical whackos."

No offense meant.

None taken.

I have come
for your answer,
Spider-Man. Do you
wish to share in the
gift I have to give?
The power I have
to convey upon
you?

Or will
you spurn my
gratitude and
my gift...and
perish?

I'm going in ...

Help me.
Someone.
Please.

Tess.
I've come.

Do you
know who
I am?

...Father?

You cannot
defeat me. Loki
himself cannot
defeat me.

I'm
willing to
try.

I looked her up online too. All I got were X-rated sites. Thankfully the public library has a block on that stuff. Talk about embarrassing!

Search Morwen + Sorcerer of Chaos

But I kept the Rune.
Then headed home after
my patrol, thinking that
it's kinda cool to have
a god on your side, all
things considered.

THE END
